Round 8 Results & Match Reports

As a result of a recent directive from the SMJFL, clubs are no longer permitted to publish any results (including goalkickers & best players) for any of the modified rules age groups (ie U8's, U9's & U10's).

The AJFC will be raising this at the upcoming Presidents meeting with the SMJFL, however, in the meantime we need to abide by the league's directive.

U8 Comets - Match Report

Great conditions . Small ground that made us change our game style from run and take them on, to kick the ball and get the ball to our forward line quickly. Today I learnt that regardless of the score all boys played four quarters and have lots of FUN.

It's great to see you all giving 100% and sharing the ball. Some special efforts today with Ethan having a remarkable quarter. All boys contributed and that's what makes the TEAM good. Coach Dave

U9 Comets - Match Report

The boys came out hard and fast. Goals were piled on in quick succession which placed the boys in a very strong position going in to the 1st break.

For the rest of the game the boys maintained their dominance of the opposition right across the park. Ball movement was very swift up and down the ground. Tackling was strong and tough. Ajax controlled the game from start to finish. By games end we had 7 different goal kickers.

A job well done by all of the boys

U9 Jets - Match Report

It was perfect conditions today for football at our home ground with no wind, a little sun and a lot of enthusiasm. Unfortunately many of our team were sick and unable to play saw us short to fill a side. The boys showed that they were in fact dedicated and motivated enough to play as a team and clearly played how we practised this week.

The Jets are improving every week and are starting to display glimpses of fantastic play and second efforts at the ball becoming the norm. Jacobs showed some clever use of dodging the opposition and even passing off for a goal assist.

Second half of this season is starting to show our skills and commitment to the game. Well done Jets!

U9 Stars – Match Report

On a crisp morning, the Under 9 stars started the match strongly with great enthusiasm and teamwork but struggled to take advantage of its ascendancy. The Stars had most of the play in their forward line in the first quarter with the midfield well on top and creating the “wall” across the half forward line. Zak Harris and Asher Moalem were the generals in the midfield with great positioning and direction.

During the second and third quarters the Stars showed great perseverance and resilience down back which resulted in more forward line opportunities. The backline generals were Joe Zayontz and Lior Noriskin who showed discipline and fortitude by protecting the goal square.

Jordan Keddie showed great dash and poise and Jethro Gunn had a productive quarter. Sam Kirsh chimed in with grit and determination.

Overall another excellent team performance with the Stars showing the benefits of the hard work at training.

U10 Comets - Match Report

This week we faced a Prahran team determined to reverse the result of the previous week. Prahran were more desperate for the footy and put our team under considerable pressure. !

Despite having more of the ball in our forward fifty we found it difficult to have clear shots on goals and in general play our disposals were often rushed and ineffective. !

We will need a better effort next week if we are to remain competitive with the better teams in the Silver division.

U10 Jets - Match Report

Second outing in a week for the Jets and a good time to perform in front of our home crowd on a fine day. Kister hit back in great fashion today after been held goalless during the week, helped by some great service up the field from Pike, Smorgon and Nathan.

The instruction to drop one kick behind the play as sweepers by T.Grodski & Rockman ensured we maintained possession for most of the final quarter for a great result against an evenly matched side.

Special mentions to Black, Gaspar & Joseph who pleased our coaches with some really committed efforts. Well done Jackas!

U11 Comets: Brighton Beach 7.4 (46) def Ajax 5.2 (32)

Goals: H Sheezel 2, Carrick, Eliau, Freedman

Best: Alford, Alter, Jotkowitz, Light, Spicer, Wasbutzki

Match Report

The Under 11 Comets faced up to the highly ranked Brighton Beach team away from home and opened brilliantly with three goals in a withering opening quarter. The 20 point lead was earned on the back of great intensity and hardness at the football but the home side chipped away for the next two terms to narrow the margin down to 13 points at the final break. An arm wrestle followed with Brighton getting the breaks early in the quarter and while the Jackers fought back hard, the fact that they were playing only their second game in over a month did not help and they ran out of steam late in the game to go down by 14 points.

U11 Jets: Ajax 6.7 (43) def East Brighton 3.2 (20)

Goals: Maidenberg 2, Borowitz, Pinsky, Rose, Star

Best: Green, Levin, Maidenberg, Rose, Rosham, Star

Match Report

A performance to be proud of today. With only 17 players today, the Jets were lead out by Jaime Mooseek and Jay Guttman with TEAM footy the aim for the day.

On a big ground, the play was simple, straight down the middle at all times, and don't use the pockets or wings. It worked a treat, with all players sticking to the team play and the result came our way.

Deep forwards were always dangerous, defenders played tight and fought all day, midfielders ran hard and created the rebounding wall when required, it was TEAM play at its best.

The coaches never panicked when the opposition posed a threat, and we all stuck to the one message all game, down the middle and be ready for when it arrives.

Tackling was fantastic and with it the opposition couldn't handle the pressure. Well done to all the boys today for 4 qtr effort. Second win in a row, confidence sky high and up into 3rd on ladder.

Big challenge next week against the undefeated ladder leader, but we are all up and about and playing well, so look out. Go Jets!!!

Goals: Efron 2, Siegel 2, Vogel 2, Ehrlich, Jacobs

Fantastic four quarter effort today by the whole team! It was very hard to pick the Best Players! All 18 today were fantastic and deserved of being included!

Match Report

More like a training run than a game today. We played four quarters of football against a less than ordinary opponent. Great to see some new faces bobbing getting kicks and featuring in the goal kickers.

Well done to Mikey Lazar on “kicking a bag”, 11 goals is a great effort. Congratulations to Libba and Beaks on playing their 100th games for the club.

Goals: Woolf 3, Star 2, Mushin, Pinsky

Best: Chalfon, Herman, Pinky, Rosham, Rothfield, Woolf

Match Report

Led out by birthday boy Rapha Bush and goal sneak Ben Woolf, under 11 Jets were back to winning ways with a well fought win against the top 4 side in BBJFC.

The night game experience presented itself to the boys, and under the light towers they relished the opportunity. The aim for the night was to win the ground ball, play team footy by giving the ball off when in traffic and win the first qtr.

It was a first quarter that the rest of our season will be built upon. Ajax were first to the ball, handball when required and piled on 4 goals to put the game beyond reach of BBJFC.

The effort and intensity was great to watch, with the boys starting to realize what it takes to play as a team and win footy games. Confidence is huge advantage for young boys and the under 11 Jets have their confidence sky high.

Season 2015 Weekly Wrap – Edition 7 (round 8)

It was a cold night, but things heated up quickly back in the room when the boys belted the Ajax song out to commemorate a milestone win under lights.
