## Preseason update

With early access to training grounds, the club has had an excellent preseason. There is a huge buzz of excitement across the club as we prepare for season 2017. We have been joined by former Collingwood champion and Port Power premiership coach, Mark "Choco" Williams, as Senior Coach and Director of Coaching for the Junior Division. Good luck to all teams for Round 1 and enjoy the season.

Congratulations to Jackson Kalb, Sam Jacobs, Benji Krongold, Jason Nirens & Brad Nirens on being selected into the St Kilda Football Club Academy Program.

Some of the boys had the opportunity to tour the Saints facility ahead of this year's inaugural program.

The wall of players' boots in the property room – love the colours!
