

THE WRAP

Finals Week 3

Wow! What an incredible day, week and year it has been for the U14 Jackettes. In their first season of footy, the girls have experienced premiership glory in a hard fought contest against East Malvern. Well done to all the girls, coaches, team managers and team officials.....a truly great team performance. Congratulations to Romy Klooger who was awarded best on ground on the day. Can the girls go back to back in 2019?

We are looking forward to celebrating the season at the club's annual presentation on the 16th of September.

WE WON THE PREMIERSHIP FLAG!!

JACKETTES: 1st YEAR - 1st GRAND FINAL – 1st PREMIERSHIP

The build up to the Grand Final was full of excitement and anticipation for players, families, club officials and supporters alike.

A back page spread of the Jewish News following the Semi Final win set the pace with an 'AJAX Girls Going For Glory' tag line and back page photo. The club followed up with 2 weekly team wraps featuring the girls, the second of which included Harry's fantastic player-player review. Harry's review highlighted exactly what each individual adds to the teams melting pot of skills which had brought them into the final as a power team, but more importantly, also highlighting what they would need to deliver as a team one more time.

The girls were welcomed on to the ground with a surprise banner (thanks Chelsea!) the reinforced the 'Going for Glory' message, and following a moving playing of the Anthem prior to the game, the large Ajax supporter crowd withdrew to the fence line in eager anticipation of the game ahead, as the players steeled themselves for the starting siren.

It was a tough game right from the first bounce, and the girls had their work cut out against a determined and talented opposition. Whilst Allegra kicked the first goal – a booming 40 meter punt – the girls went in behind at the first siren.

Chelsea and Jem managed to settle what nerves there were & reset the focus on the pre-game instructions. The team responded kicking the only goal in the second quarter and starting to show some good linking play and outside running, coming into the half time break in the lead.

The third quarter was played in much the same spirit as the Jackettes score another goal to open up the biggest lead of the game. They suffered a setback late in the third quarter as Captain Amira, who had been playing a dominant midfield role, was forced off the field.

Entering the final quarter in front, 2 late injuries put the team under pressure in the last five minutes. However the backline held firm as they have done all season, only allowing the opposition an single point in the last quarter.

U14 Girls.....continued

The final siren brought the Glory to the Girls and the Club that they had been seeking, and it was an ecstatic group that received medallions including Romy Klooger as player of the match.

The flag was welcomed into the final photo shoot before a bellowing rendition of the club song started the post game festivities in the rooms.

A full list of the team players as appeared in the game day record is included below and well reflects how each girl played on the day. Well done each and every one of you!
(The only missing player on the day was Liav Allen).

So wow, what a story and what a season and final result. So good for Jewish Girls Sport and Girls Footy at the AJAX football club. All the girls are looking forward to next season and seeing many more girls participate in what has been a fun season through and through.

A massive vote of thanks to the coaches Chelsea Fisher, Jem Klooger and Elian Mihalovich, to all the parents that have helped out during the season, and the club officials who not only inspired and initiated the girls team this year, but have showed unwavering support through the year. And thanks to all the club members and families/friends that have been so supportive of the team and come down to watch the games, including the big one today.

It's almost sad that the season is over -> so bring on 2019!!

It's been a pleasure: Jeff and Dave

GO JACKETTES!
