CREPE PAPER “RUN-THROUGH BANNERS”

Banners are hand-made and priced according to size and the number of characters made as detailed below:

- **\$100 banner includes to 16 characters on 3 rows** (total height paper = 1.5m) on sticks approximately 1.8m long.
- **\$150 banner includes up to 24 characters on 4 rows** (total height paper = 2.0m) on sticks 2.1-2.4m long.
- **Extra text will be charged at \$10 per 3 characters** over the 16 and 24 limits for the \$100 & \$150 banners respectively.
- Banners are delicate and dissolve in water so cannot be unfurled in the rain. Most club-rooms have a cover over the door so in worst case scenario banners need to be set up under cover such as overhang outside changerooms.
- Proceeds from the funds raised go to the **AJAX Football Club** after a small proportion is retained to purchase materials. Almost \$20,000 has been raised for AJAX since 2011.
- On confirmation of your wording, a photo of your banner will be emailed to you when it is ready for collection.
- An additional refundable deposit is due (\$10 for \$100 banner and \$20 for \$150 banner) with payment when the banner is collected from 14 Grant Street, Malvern East – to ensure return of the sticks.
- Examples attached.
