AJAX Junior Football Club Weekly Wrap - Round 5, 2023

THE JACKAS WRAP

Round 5, 2023

A mixed weekend of results for the Jackas after the grading component of the fixture. With some close wins and losses and a few blowouts. The U11 Stars continue their run of good early season form and the U12 Comets put in a great showing against the ever-mighty Prahran.

The U13 Comets recording a big win against St Peters, similarly the U14 Comets v Cheltenham.

With the season in full swing, we wish continued good fortunes to all the teams in the upcoming Round 6 fixtures.

If you have some good news stories or photos you would like to see featured in the Weekly Wrap, please share them (send via publicity@ajfc.com.au) or via your Team Manager.

U8 Rockets Match Report

Coach: Jason Ritterman
Andrew Jackson

7.30 am arrivals are tough on any given Sunday. However on this day, with rain coming in sideways, edgeways, upways and always, conditions were harsh. That didn't stop the Rockets getting off to a flyer, the 1st goal sailing through while the opening bell was still echoing. Perhaps as a result, the boys thought the job was done – this is an easy caper, right? Turns out not, as the Lions roared to life and dominated possession for most of the half while the Rockets just held on. To their huge credit, the team adjusted their game to suit the conditions and more importantly their mindset, focussing on winning the contest and kicking long. Kicking against the wind, the boys started to get right on top in the 3rd before making the most of the breeze in the 4th and dominating play. While we rarely call out individuals, a blind turn and long bomb goal from Freid in the fourth was a highlight. However even more noteworthy were those boys (you know who you are) who persevered against the cold and wet in the last quarter, supported their teammates by getting on the field and ensured the Rockets could compete at full strength.

Well done on a character filled performance Rockets!

U8 Stars Match Report

Having played at home for three weeks straight it was time to get the napisan out and don the white shorts. The U8 Stars travelled to Mordibraeside for Round 5. Warming up along the boundary line to AC/DC's "Thunderstruck" and the classic "Eye of the Tiger" songs the players brought a renewed energy, focus, and determination not seen since....well...round 4! Tackling hard, passing to a team-mate, and the "Man On Man" ethos that has been a feature of the last two weeks certainly was lived by this U8 Stars team as they kicked goals, celebrated, and did it again and again. Weeks like these are rare and the boys certainly enjoyed themselves but we go into next week's game looking to repeat the fight and spirit showed here. Go Stars!

U9 Rockets Match Report

It was a tough day in the office for the Rockets as we ended up being outplayed by a very strong Beaumaris side. The Sharks got the jump on us with an early goal, but we were able to quickly steady the ship with Lewski and Appel taking control in the backline as they intercepted numerous opposition attacks and created great drive off half back. The Rockets had their chances early with Sochen and Wiser winning plenty of the ball up forward and peppering the goals. However, in the end, we couldn't quite convert our dominance in play on the scoreboard. Stiglitz and Adelist linked up for a nice passage of play in Q2 which led to a crafty Lewski snap goal. Unfortunately, that was our first and only major for the day. Our Captain, Slade-Jacobson, showed his teammates the way all game with his courageous attack on the football in marking contests. Kagan had the ball on a string and helped set up numerous Rockets' attacks and link-up play with silky left foot kicking, while Schwartz relished the wet conditions with his hard, contested style of play.

Round 5 saw the Ajax U9 Sharks raise the standard against the powerful East Brighton Vampires from the outset, matching them in contested ball, clearances and time in forward half. A couple of lapses in concentration helped the Vampires score but the Sharks just wouldn't surrender as they clawed their way back with first time goal scorer Galushkin-Ossip keeping the Sharks alive after half time. Led beautifully all day by ever reliable skipper Kotlyar, the Sharks finished the match with a wet sail with several late goals and a warning the rest of the competition that the Sharks will have their say at the Annual Lightning Carnival in mid-August. Oz Onas was brilliant in all day providing speed and drive, while Godlewicz produced a centre clearance masterclass in the final term almost single – handedly turning the game on its head causing havoc at the centre bounces, chaos in the Sharks forward line & panic in the opposition coach's marquee. Another 5 minutes of Shark Attack might have seen a different result but the Sharks should be very proud of their performance today. Well Done Sharks!

U10 Rockets Match Report

Round 5 kicked off on a cold, wet wintry day at Princes Park. With a slippery and muddy ball the boys embraced the challenging conditions. The team started off well without much reward for effort but as the game progressed they stuck to the task of manning up, tackling and chasing led by Jack N and Harvey H. As we turned for home our mids got on top led by the skipper Asher S locking the ball in our forward line giving us repeat shots at goal with Mikey E and Nadav S each managing to score goals. Nadav's effort was a spectacular over the head kick from the goal square which led to wild celebrations. As the final siren sounded the boys walked off proud of their efforts and sang the song back in the rooms with much pride. Go Rockets!

In Hurlingham Park's magical domain, Indigenous Round brought a spirited game.
Gabe and Blake, captains strong and true, Urged their team to make moments count, through and through.

On the postage stamp field, smaller than most, Hitting targets and defense mattered utmost.
High scores weren't surprising, given the space, But the boys fought hard, at a fast-paced pace.

Yet moments of lapses led to scores conceded, Defenders learned to stick, not be defeated.
Week by week, progress was clear to see, Each team member growing, improving with glee.

Practicing outside training, a key advice, Kicking in the park, a skill to entice.
With parents, friends, or legends of the AFL, Even the family dog, joining the kick, without fail.

Training awaited, photos coming near, Haircuts and push-ups, a reminder so clear.
United they stood, ready for the game, Dreaming of triumphs and glory, the team's aim.

In the enchanted realm of JL Murphy Reserve, Next week's journey, a tale they'll preserve.
With the beach magic, in the air they'll feel, A new chapter of their fairy tale, surreal.

U10 Stars Match Report

The U10 Stars hosted East Malvern on Sunday in wintry conditions. The Stars had the better of the first quarter, with the ball locked in our forward line for significant periods without reward. We fought really hard in the first half and it was anyone's game at half time. Our captains Jay Norich and Indy Borensztajn led well and tried to rally the troops. There were a lot of contributors. Our strengths are tackling pressure and connecting through teamwork. That was really present early in the game but was harder to maintain in the second half as some of the better footballers on the other team started to get more of the ball. For the second week in a row, we faded as the game went on. First week in a new division didn't quite work out to plan, but with better opposition and tighter games come greater learning opportunities. As has been the case all year, there is always improvement across the group and a determination to keep getting better.

U11 Rockets Match Report

U11 Rockets 3.4.22 lost to Port Colts 5.9.39
Best: BIGOS, GRANT, PHILLIPS, ROCHMAN, SHERR, SUSS
Goals: BUDE, GRANT, WAJSMAN

After three away games, the Rockets were excited to be back at home. The boys came out with great intensity and attacked the contest hard, eager to make the most of a strong wind advantage. This resulted in the ball living in our forward line for most of the quarter and a handy 13 point lead at quarter time. The second quarter saw the backline shine as Port Melbourne pressed hard. The defenders were outstanding to deny certain goals with ferocious tackling and gutsy contested marking. Despite winning the territory battle, the team was unable to extend the lead in the third quarter and a late goal to Port Melbourne gave them some important momentum. It was always going to be a hard task defending a small margin against the wind in the last quarter and as the game got a bit more physical and willing, our players began to tire and eventually got overwhelmed at the contest.

Although not the result we wanted, there was a lot to like about the first half, especially the defensive efforts of Phillips, Bell and Bigos. Further, Sherr, Burman and E Lipshutz never stopped cracking in and Grant was a livewire in attack. We will learn from this game and continue to improve. Go Rockets!

U11 Sharks 2.4.16 lost to Beaumaris 4.2.26
Best: DAVIS, GORDON, LEWSKI, NORTON, OREN, SCHWARTZ
Goals: DAVIS 2

In a challenging encounter we knew we had our work cut out against Beaumaris - a formidable and well prepared side. They asserted their dominance scoring two goals in the 1st quarter. Despite this, we managed to regroup and gain control of the game from the 2nd quarter. Davis displayed exceptional skill at half forward, netting our 1st goal, while Oren provided excellent support for the defenders. As the ½ time break approached, we trailed by 8 points. Gordon showed his brilliance today exhibiting remarkable endurance and relentless effort. The 3rd quarter saw us dictate the game, yet we struggled to convert on the scoreboard. The last quarter began with a spectacular highlight for the day. Gordon's exceptional hit out was followed by Lewski's swift roving, delivering a precise kick to Taft, who handballed to Davis for a superb goal. At this point we trailed by only 4 points. However, Beaumaris managed to push forward and score, sealing the game for them. Despite the loss, the team showed unwavering determination and courage. Their relentless efforts and refusal to back down were evident all day. Despite the result, the team's resilience and fighting spirit were on full display.

Coach: Marty Page
Brad Akkerman

An explosive start to the season saw the Stars elevated to a higher division and Round 5 presented a new challenge, taking on Beaumaris on Oval 4. After a scrappy start, it wasn't long before the Stars cranked up their running game. Instead of getting clogged in the muddy centre square, they moved the ball along the dry wings with superb running from Gough and Engelman. A new look forward line consisting of Braun, Ben David & Segal gelled instantly, providing muscle but also polish to hit the scoreboard early. Akkerman relished a move back into the midfield drifted forward for a good running goal.

It wasn't all one way traffic though, as Captain Smith was forced to hold up the backline with good support and grunt by Ungar. Janover also dropping back deep to thwart a certain goal to the opposition. Rosshandler, wanting in on the action, moved to the midfield in the second half. When he bounded forward and his long bomb sailed through, the celebrations from him, and the cheers from the crowd were deafening. When Cashmore kicked his second the game was over. Special mention to Swart and Zammit, called up from the U10s who refused to take a backwards step.

Best: BASIST, BOROWSKI, GOLDSTAT-JOFFE, OLIVER, RALEIGH, SINGER

Goals: SLADE-JACOBSON 2, GREENBERG, OLIVER, SINGER, SZWIDER

Coach: Dean Mohr
Josh Goldstat

It was an early game at Como Park, cold, wet and the boys knew they had to come with the right attitude and lots of energy to beat the undefeated Prahran.

The coaches asked the boys to be focused on getting the ball first and to move it down the ground quickly and that's exactly what they did. They hunted in packs, moved the ball freely and as the first quarter went on their confidence running the opposition off their feet and kicking several goals.

The boys came in at quarter time with their heads up, feeling great but knowing there was a long way to go. With the task ahead of them, they stay focused and kept Prahran at bay. It was a pleasure for both the coaches and the parents to watch them in full flight.

In the second half, they fought hard and continued to support each other and in the end were victorious and proved to themselves that they are capable of anything.

Today the boys set the standard for so many things, the way they play their football, how they share, the way they care for each other and how good it can feel when you get your hands on the ball. It was a great win for the boys, every player gave their best and deserves to have enjoyed every bit of it.

U12 Rockets Match Report

Best: KOL, KRAEMER, MEYDAN, RALEIGH, SOMERVILLE, WAIL
Goals: RALEIGH

Coach: Cory Felbel
Lachlan Hershman

The Rockets in Round 5 Vs St Peters faced a tough battle in ideal conditions. Unfortunately, the boys came up short, primarily due to our struggles with our contested work and tackling. Despite the loss, key players Raleigh and Wail performed solidly once again, providing a consistent presence on the field. The Rockets showed intensity and a willingness to tackle, but their execution in this aspect was lacking, however Meydan showed good fight all game and played his best game for the season. Moving forward, the team has identified areas for improvement, particularly in contested situations and tackling. These aspects will be the focus of their training sessions as they aim to enhance their defensive capabilities. Although it was a disappointing result, the Rockets can take valuable lessons from this match and use them as motivation to work harder and refine their skills for future games.

U12 Stars Match Report

U12 Stars 3.3.21 lost to St.Peters 6.9.45
Best: DABSCHECK, GERBER, LLOYD, SALOMONOVITCH, SMALL, SMITH
Goals: GERBER, RAPOPORT, SALOMONOVITCH

In a tough encounter against St Peters, our U12 AJAX Stars came up against a physically stronger team. After losing the toss the Stars held up well against the wind in the first quarter. The move of Elijah Lloyd into the ruck gave the midfield engine room some much needed drive. Jack Gerber was courageous all game and proved to be a handful up forward. Although it was not the result the boys were striving for there was some good individual improvement with a few boys having their best games for the season. A special mention to Dylan Small, Avishai S and Nathan Smith for their tireless efforts. Moving forward we acknowledge the lessons to be learned from this game, focusing on winning the contested ball, better composure with the football and connection between each line. The coaches remain confident in our progress and the potential for success in the near future.

U12 Girls Comets 2.3.15 lost to Beaumaris 4.6.30
Best: GODLEWICZ, ISRAELSOHN, JOHNSON, KOLLINER, MILCHMAN, NAPHTALI
Goals: MILCHMAN 2

Coach: Josh Hoppe
Steven Katz

A tough day for the girls on Sunday in cold, muddy conditions. They tried very hard all day. We asked the girls to do the one percenters and the tackling, teamwork, defending was great.

Naphtali was tireless in the ruck, Kolliner continued her great form and was tough in the midfield. Milchman tried very hard all day, Godlewicz and Israelsohn developing into fantastic recruits. Samuels tried really hard and followed coaches instructions and Johnson was solid in defence. A narrow loss, but the girls should all hold their heads high for their effort.

Best: ALTER, BALBIN, CHRAPOT, LIPSHUTZ, LURIE, WROBEL

Goals: ALTER 3, KALBSTEIN Z 2, BALBIN, BARNETT, DAVIS, RAVIV E, WEINSTEIN

With grading done and our spot secured in Div 2, the Comets turned up bright and early in Bentleigh for an important clash against St. Peters. The rain made for slippery conditions and a wet banner celebrating Jesse Lurie and Sammy Krite's joint 50th. After Toby Davis sang Zac Alter happy birthday, the team turned their attention to the game and implementing our brand of footy. They came out loud and with plenty of energy to play four quarters of tough footy. We capitalised on the slight wind by notching up 5 goals in the first quarter and a commanding lead that would secure us our first win for the season. The goals were shared around with Raviv notching up his first for the Jackas, Barney solid back at Full Forward, and a stunning check side goal from T-Bone Davis helped deliver a massive 69 point win.

Coming off a tough loss to St Bedes last week we came into round 5 looking to get back to playing our brand of attacking footy as we hosted Cheltenham. Both sides had to contend with wet and slippery conditions. Our intent at the beginning of the game was first class, tackle pressure was the best its been all year and we got back to using the ball through the middle of the ground. We had the early jump on them to take a 3 goal lead at halftime.

The second half proved to be a bit of an arm wrestle but the boys were able to hold onto the lead all game to get us a hard earned 4 goal victory. Zac Onas was dominant through the middle while Benji Basist and Josh Jacobs had breakout performances.

It was great to see us put together four solid quarters of footy. Looking forward to next week.

U14 Stars 2.4.16 lost to East Malvern 6.6.42
Best: ASH, EDELSTEIN, KATZ E, KOLLINER, RUBIN, VOGEL

The newly promoted div 3 stars faced old foes East Malvern at the crack of dawn at PP Oval 1. With inspirational warrior Theo Edelstein celebrating his 50th game, the Stars came out of the blocks with a ripping goal by skipper Ethan K, followed by a smart set shot from his namesake Ethan S. The stars put the brakes on a skillful opponent and locked the game down in the second to go into half time a few point down. In the third, Rubin and Vogel stood tall in defence, while Zac Ash was having his best game in the ruck. The Stars pressure around the contest put the game within reach going into the last, with multiple efforts from Leibler, Kramer and A. Katz. Late in the 3rd, Linnow was unlucky to be denied a bouncing goal that nobody touched and with the Ajax Review Centre (to be known as Noah's ARC) still not installed, there was no way to reverse the decision. Unfortunately in the last qtr East Malvern found another gear to kick away for the win. The stars should keep their heads up as it was a much improved performance in tricky conditions against a quality opposition.

Coach: Lori Gunn

After a great start to the season, the girls played their first game in Division 1. They proved their ability and showed everyone what they have got. From the first bounce, the girls displayed immense dedication and worked hard all game. The team started strong with three first-quarter goals, displaying excellent teamwork and positioning. The backline stayed focused, midfielders worked tirelessly, and forwards found space to contribute to the scoreboard. Page ran tirelessly, showing incredible endurance, while Jotkowitz excelled in both forward and backline positions. Ickowicz brought intensity once again, whilst Rosshandler and Stub targeted a strong opponent. Alter, Lyons and J Lewis worked hard all day in the backline. Special thanks to Eve for an incredible performance for filling in. Sadly, we have many girls out but we're excited to have our injured players back soon and hope for their quick recoveries. Overall, our team demonstrated potential and belonging in this competitive division.

Best: GELBART, GOLDBERG H, GOLDBERG N, MOHR, NATHAN, ROSENBAUM
Goals: GELBART 2, BLECHER B, BURSZTYN, PITT, SZWARCBURG

Challenged the group today to play TEAM FIRST football, with plenty of VOICE, and to be physical at every contest you compete for. Q1 was U15 Comets at their best, by taking first option with ball in hand, and lead out fwds working hard to get on to the scoreboard. Resulted in a 3 goal lead at end of Q1. More of the same in Q2 but this time our set shots on goal were missed, and scores were level at the half. Close contest in Q3 with 2 quality sides going at it, Comets continued to be well organised in back half and defended tight as a team. Again, goal opportunities were missed in Q4, and with some late undisciplined acts by Comets that resulted in 2 goals to opposition, the game was just lost. A solid effort overall by the team, continue to learn and strive to stay engaged and be consistent across 4 quarters. Looking forward to next week challenge and a win.

It our first game in a new division and we played with a new energy and intensity. The boys were challenged to bring a full 80 minutes of effort to the game and they delivered in spades. It was a full team effort with all players contributing to the resounding win. Our contested work was superb and ball movement was smooth all day. Looking forward to this being one of many wins for us this year.

Best: GORDON, JANOVER, LOWINGER, PITT, UMOW, ZUKERMAN

Goals: JANOVER P 3, GORDON, LEWIS, MICMACHER, PITT E, ZUKERMAN D

On a cold and windy Sunday morning, the stage was set for a huge match between the Ajax Comets and the East Brighton Vampires. The first term started with Ajax kicking with a fairly strong breeze, but unfortunately were unable to capitalise, scoring 1 goal and 6 behinds, yet still took a 3 point lead into quarter time. AJAX then had the tall task of defending against the wind in the second quarter and did a very solid job, conceding only 3 goals.

The message at half time was that needed to work harder for each other and that we had more to give. While there were some positive patches of football in the second half, a more well-drilled East Brighton ultimately worked harder as a team than us and were able to get over line by 9 points. While we didn't play up to the standard we are capable of, we as coaches have no doubt that with hard work and dedication from the players and coaches, we will respond next week.

Coach: Brad Atholwood

U16 Jets Match Report

Best: FELMAN, GASPAR, JUNGER, LIFSZYC, LUFTIG, NAPHTALI

Goals: LIFSZYC 3, ZVEDENIUK 3, FELMAN, GOLDHIRSCH, LUFTIG N, PERLSTEIN

Coming up against a very strong opponent the boys knew they were going to have their work cut out for them. The result was a 6 goal loss but the scoreboard did not tell the full story for the day. We wouldn't go as far as saying that we deserved the win because that wasn't the case, but if we hadn't given away four 50 metre penalties for dissent resulting in goals then the game would have been a whole different story. As he does week in and week out Naphtali our skipper somehow took his game to an even more physical level arguably having his best game of the year, whilst Benji Felman also had his most consistent game of the year kicking 2 scintillating goals. The ball movement as a team was the best we have seen all season at times, also resulting in what we thought at a time was the clear goal of the year for our team so far for Noah Luftig until, Rapha came out and somehow topped him kicking 3 soccer kicks to himself, picking up the ball, barging through a tackler and kicking a torp on the run. East Brighton are allegedly the benchmark. And although consistency and discipline is something we need to seriously work on, we now know that our best matches the best.

U16 Girls Comets 1.1.7 lost to East Brighton 11.7.73
Best: FELL, FREY L, HERMANN, SALOMONOVITCH, SINGER, ZUCHOWSKI
Goals: MALETSKY M

Another muddy ground welcomed us as we took on a talented Vampires team in our 1st game in Div 1. The 1st qtr was an even contest with Tova Singer fighting hard in the Ruck to give our girls first touch & Batya tackling anyone who dared get in her way. Into a strong wind we hussled in numbers with Meirav Fell bustling the ball forward at every chance.

Some silky skills from key Vampires saw them hold a small lead at the first break. Lani Salomonovitch was a running machine attacking every contest, whilst Tahlia Hermann was dominating the loose balls to ensure we stayed in reach. The hard work paid off with a fantastic goal to Mishy Maletsky after a super Shaylee Klinger spin out of the pack. The 2nd half saw the opposition's class get on top of us with their clean hands and strong marking but the Jackas never gave up. Lexie Frey continued to apply pressure and showed no fear while Georgia Zuchowski's safe hands & good decision making kept us positive. The girls should be proud of their never say die efforts & positive attitude. The camaraderie on & off the field is a pleasure to see & I look forward to seeing more rewards for our efforts in the weeks to come.
