

THE JACKAS WRAP

ROUND 7, 2024

THE JACKAS WRAP

ROUND 7, 2024

Hey ChatGPT, summarise the Round 7 results for me...

Under beautiful late Autumn blue skies, Round 7 footy was once again enjoyed by all of our juniors with positive football across various divisions, demonstrating the club's depth and competitive spirit.

The U11 Rockets faced a tough opponent but fell short, while the U11 Sharks and U11 Stars both celebrated strong wins, showcasing great team cohesion. The U12 Comets (Mixed) and U12 Stars (Mixed) also secured victories with dominant performances. In the U13 divisions, both the Comets and Rockets teams enjoyed resounding wins, with the Comets delivering a particularly masterful display. The U14 Comets in both mixed and girls categories triumphed in their matches, with strategic play leading the mixed team and a strong defensive effort guiding the girls. The U15 Comets achieved an impressive victory through effective teamwork and coordination. Meanwhile, the U16 Boys Comets and Jets each recorded significant wins, the Comets showing tactical depth and the Jets showcasing standout individual performances. The older divisions continued the trend, with the U18 Boys Comets and Jets each securing commanding victories, reflecting their readiness for higher competition levels and the culmination of their development at the club.

If you have some good news stories or photos you would like to see featured in the Weekly Wrap, please share them (send via publicity@ajfc.com.au) or via your Team Manager.

ROUND 7

MATCH REPORT

COACHES CORNER

"British Bulldogs!"

The Rockets were welcomed by a foggy and cloudy morning on the eve of winter as they ran out to take on East Malvern at Princes Park. In the absence of Fuehrer, who opted for the sunny pastures of WA, the Rockets pressure was on point early. Oyberman and Gomo lead the way early giving our forwards the first scoring opportunities.

The Rockets finally broke open the nil-nil deadlock in the second quarter as the forwards peppered the scoreboard. With pressure and tackling a focus after quarter time, the forwards lead by Harel and Joseph ensured the ball remained locked in our forward half. A nifty pass from Ezekiel allowed Lipp to nail the first goal of the game for the Rockets. Snyder's midfield pressure (under duress) and Segal's class also highlights for the half.

In the third quarter, the Rockets continued their territory dominance. Co-captain New laid a great tackle to set up another forward surge, whilst the pressure up forward from Goldberg and Lewis enabled Klinger to nail another goal for the Rockets. Whilst East Malvern threatened at times, Blankfield's run & carry, Gestetner's pressure and Lipson's ability to navigate through heavy traffic, kept the ball in our forward half.

In the last quarter, East Malvern came with a surge, but it was our defence that stood up and repelled their attack. Jankie's positioning and disposal from the back half was outstanding, Kaltmann's tackling and co-captain Sahar's ability to run and break free rounded out a fantastic morning for the Rockets!

Finally a special mention to our new stats guru, Dreyfus, who took note of all the "one percenters" during the game, which no doubt provided the boys with extra motivation!

ROUND 7

MATCH REPORT

COACHES CORNER

**"Play hard, play well
and everything else
will fall into place"**

The sun was out but the chill was in for the Stars match at home against the Cheltenham Panthers. We heard from the Panthers coach that they have been winning by 10 goals each week but that over confidence was not rewarded today as the Stars put in a fine performance against quality opposition. An early goal from Toby Segal put some cheer in the boys who through co-captains Jake Fried and Levi Kaplan were moving the ball quickly through the middle. Ollie Jolson and Blake Frydenberg put some ferocious tackles in the first half which managed to keep the Panthers off balance. Manny Benporath was moved up forward to increase the team's scoring power in the second half which Noah Binstock and Shauli Chaitan capitalised on kicking truly through the big sticks. Reuvi Bechler, Bradley Nudel, Josh Binstock, Harrison Benkel and Elliot Brostek played hard all day so too Noah Krampel whose left foot got a work out as he drove the Jackas into attack on repeated occasions. Oscar Freilich who traditionally dominates the goal square went into the middle where his height and reach helped in the ruck work. With oranges making their way into the half time routine for the first time this season, the players got some added zip which was obvious in the second half where they outscored the Panthers. Oz Rosenberg, Eden Sussman and Eitan Silman all got plenty of touches handballing, marking and kicking with gusto. The guys missed young Jacob Hamer and Akiva Grossberg but hopefully they will be back for next week. We need the team at full strength for Shauli's birthday round where his team present will be a win. All in all a strong showing from a team that is rapidly improving every week. Go Jackas!

U8 - SHARKS

vs Murrumbeena U8 Mixed LIONS

ROUND 7

MATCH REPORT

COACHES CORNER

**"When the going gets
tough
The tough gets going!"**

Sharks played an away game this weekend against Murrumbeena lions.

Cold wet morning welcomed the boys giving the first taste of playing conditions to come this winter.

The group was slow to start and to adapt to the conditions as our opposition kicked a few early goals.

Gerber and Michaels were the stand outs early in the game by dominating contests around the ground and setting the tone with their 2nd and 3rd efforts.

Fisher delivered one of the performances of the season in the second quarter by contesting hard in the forward line and kicking a great goal to top it off.

Snow could've easily been mistaken for Stewart Loewe for his performance in the third quarter as he plucked consecutive marks with ease which allowed the ball to stay in our forward line for most of the quarter. Rotenberg also lifted in this quarter with his defensive pressure in the middle of the ground.

U9 - ROCKETS

vs

Caulfield Bears U9 Mixed DUNBAR

ROUND 7

MATCH REPORT

COACHES CORNER

"Our best was top shelf today... But we need to produce that level for 4 quarters boys!"

A crisp, clear and definitely cold morning greeted the Rockets at East Caulfield reserve for our first ever game against the Caulfield Bears.

It was clear from the first bounce that they were a quality opposition, but one we were well matched against.

The first quarter was a real arm-wrestle, with neither side able to gain the ascendancy. The Rockets were great at linking chains of handballs to progress the ball forward, often while under significant opposition pressure. This enabled us to win the 'territory' battle and score a critical early goal out the back to J.Ritterman.

In the second quarter, our ability to win first hands in the middle gave our forwards good supply once again. An inspirational goal to captain B.Ritterman evened the ledger with his brother and a long bomb from Borowski to help celebrate his sister's bat-mitvah were just reward for the teams' effort and tenacity. All in all a great first half.

The bears came out with renewed intensity during the third term. While our mids were soundly beaten, the backline was incredibly resolute, led by captain Newstadt who surely racked up a season high tackle count to limit the damage done.

Also noteworthy was Captain Solomon who had another impressive outing, shoring up the defence in the last after having a strong impact in all three positions thus far.

In the end the Rockets learned an important lesson – that footy is played over four quarters and to compete in higher divisions you need to be better for longer. However both coaches walked away impressed with how well we played when we were switched on to the task.

Looking forward to returning home for our first game of winter proper next week!

ROUND 7

MATCH REPORT

COACHES CORNER

**"No one remembers
Walter - Play like a
team!"**

It was a beautiful sunny day at Walter Galt Reserve, home of the Mordi-Brae Withers. The U9 Stars all arrived early and trained on a little patch of ground behind the Victoria St End Goals. Walter Galt was a surveyor of Mordialloc and the stars paid due respect to him noting that no one (unfortunately) remembers Walter, but everyone remembers his suburb - Mordialloc. In our team first philosophy, we discussed there may be individual moments that will be celebrated on the day, but everyone down the track will mainly remember how the team played and how the team scored - it's all about the team! The contest was fierce and there was some great chains of handballs and kicking to a man. Unfortunately, the story of remembering Walter was taken to heart - and many players wanted to be Walter. We of course celebrate Captain Jae Courageous, who put his body on the line time and time again, but we did see some boys who had their heads down when they should have looked up and kicked / handballed to a teammate in a better position. To the boys credit, they took on this old coaches instructions and looked for each other more in the last quarter. Scoring all day was tough as each side only scored a handful of goals each. The game went right down to the wire, so even was the contest. The boys will be better for the run as we focus on leading, sharing the ball, and moving it by foot. The boys had fun and parents were treated to a really enjoyable game of footy. Go Stars!

U10 - ROCKETS

vs **Port Colts U10 Mixed WAREHAM**

ROUND 7

MATCH REPORT

The Rockets delivered an outstanding four-quarter performance to secure a great win over arch-rival Port Melbourne. After being touched up by Port back in Round 2, the Rockets were determined to redeem themselves. The coaching staff devised a game plan to combat the opposition, and to the boys' credit, they executed it to perfection. The game was in the balance early in the last quarter before Levi turned into Charlie Cameron and kicked two spectacular goals to secure a resounding victory. The backline was sensational the entire game led by Slade-Jacobson (BOG), Perlman and Schwartz. All three players not only beat their opponents in contest after contest, but they also created great drive off half back with their clearing kicks and run & carry. Appel was also instrumental down back but just as impactful when he went forward. Co-captain Freidman was a workhorse through the midfield. He was well supported by Jolson who played the centreman role to perfection and had his best game for the season. Co-captain Trepper and Zohar were courageous all game, putting their body on the line in numerous contests. Hersh kicked a crucial goal in the third quarter, his first ever for AJAX, while Krawitz showed the Port defenders a clean set of heels with his blistering pace in the forward line.

U10 - SHARKS

vs Beaumaris U10 Mixed HOGARTY

ROUND 7

MATCH REPORT

Another tough encounter today for the U10 Sharks against the 16-man Beaumaris Sharks on a very small, shared ground that made team link play and chain possession difficult. With 3 key players unavailable, the Ajax Sharks let Beaumaris kick away to an early lead which was never reeled in. However our boys persisted all game long as usual and for that, this coach is again very proud of their efforts especially after quarter time in a game where teamwork was difficult was mainly determined by individual efforts. Captains Gabizon and Fajerman led from the front with their preparedness to bend over and pick up the wet, cold, slippery ball and surge it forward at all costs. Oz Onas sparked a mini last quarter revival which unsettled the opposition and Buch continues to put his body on the line for the team and is improving as the competition get stronger week by week. Gelbart had a standout game in all 3 zones taking on and beating several opponents at once, laying punishing tackles on the last line and using long, driving kicks from defence to set up goals up field from his fast & direct ball transfer. Well done Joel on a brilliant game all-round game of junior U10s Football. (Apologies for the indulgence here but it truly was). Our Sharks still need a lot of practice at home and on training nights on the basic fundamentals of ball handling in order to keep up with the ever strengthening competition that we are competing in. Well done today boys on another competitive effort against a strong Beaumaris team.

vs Beaumaris U10 Mixed WARD

ROUND 7

MATCH REPORT

COACHES CORNER

"If you can't stand the heat, get out of the kitchen" President Truman "

The Stars turned up at Beaumaris with intent and keen to attack the first quarter with aggression. The aerial contest was dominated with Joffe plucking some big pack marks in defence and rebelling the Beaumaris attacks. Ong continued his good form and was unlucky not to be rewarded for a spectacular mark. Michaels and Borowski controlled the forward line.

The second quarter started with controversy with Beebe crumbing beautifully and slotting a goal from 15m out. Besser was strong in defence and Lowinger took on multiple opponents at once and prevailed. Krampel flew strongly for his marks and was strong all morning for the Stars.

The second half was a tough, hard fought battle with the Stars short on personnel. But they didn't take a backward step all game. Silverman was dominant down back and in the middle, Janover and Kaplan took major steps in their development and applied strong tackles and forward pressure, and Azoulay and Rath didn't stop trying all game. It was also a break-out game for Epstein who had many damaging possessions and strong tackles.

The stars should take comfort that they were very competitive with Beaumaris notwithstanding the injuries and missing players

SABLE, RUBEN 1
SWART, BLAKE 1

As the morning fog lifted, Wattie Watson Oval revealed a picturesque setting for the Sharks' clash against top-of-the-table St Kilda City. With both teams eager to claim victory, the stage was set for an enthralling battle on the field.

The Sharks made a strong start, gaining momentum from the midfield and creating scoring opportunities. Despite missing a few easy chances, Ariel's precision kick secured their first goal, giving them a narrow 2-point lead at quarter time.

The intensity heightened in the second quarter, with players from both sides displaying tenacity and determination. Jacob, Ariel, Harry, and Rami provided exceptional drive, showcasing a brilliant team-focused attitude. Ari C's performance was exemplary, while Arnold's contributions were pivotal. A goal from Richo extended the Sharks' lead to 10 points, with Ben leading a solid defensive effort that kept StK City scoreless.

A dominant Q3 saw the Sharks play some of their best football of the year, outscoring their opponents by 3 goals to 1. Ryan and Ben continued their stellar performances, while Ari V's strong defensive efforts bolstered the backline. Goals from Richo, Ariel, and Ryan put the Sharks in a commanding position heading into the final quarter.

In the last quarter, StK City launched a fierce attack, but the Sharks' defense held strong, with outstanding efforts from Eden and Jeremy. Ari S's prowess up forward added pressure on the opposition, while Blake, despite battling illness, sealed the victory with a snap goal. Richo's third goal capped off a brilliant 32-point win for the Sharks.

The coaches' pre-game belief that a win could ignite their season proved true, as the Sharks celebrated the victory with enthusiasm and determination. With momentum on their side, the Sharks are poised to continue their winning streak and strive for further improvement in the games ahead.

AJAX U11 MIXED ROCKETS LOST BY 35 POINTS

GOALS

DUNNE, JOSEPH 1
HOPPE, BRODY 1
PITT, AKIVA 1

On a freezing cold, foggy Melbourne morning, the undefeated Rockets travelled down to Castlefield Reserve in Hampton for an important clash against the Rovers.

After a huge rev up from captains Dodge and birthday boy Hoppe, the boys came out breathing fire, with a 3 goal to nothing opening quarter. Showing endeavour and skill, it seemed like another win was inevitable. Unfortunately, Hampton had other ideas. They started to get on top around the ball and the boys heads collectively started to drop. Eventually, after only trailing by a few points at 3 quarter time, they ran all over us in the last and the pressure and contest work that has been drilled into the boys this season, disappeared.

There were some stand outs for the Rockets, Brody was outstanding, never stopping at any stage and showing speed and skill out of the congestion. Charlie battled incredibly hard against much bigger opponents in the ruck and was tough and hard at the contest. Nato was his usual steady hand behind the ball, along with the ever reliable Moish on our last line.

The forwards battled hard, with Akiva and Ethan doing their best to create opportunities and hold the ball in. Ultimately, we were overwhelmed by a bigger, hungrier opponent.

We will learn from this small slip up and gather ourselves for next week, where a big clash with Mordi awaits.

AJAX U11 MIXED STARS WON BY 51 POINTS

GOALS

KRITE, JESSE 3
NOWOWEISKI, CODY 3
NORICH, JAY 2
MYMIN, BLAKE 1
RALEIGH, FRANK 1

After starting the season 0-2, the stars took on Mordi Brae knowing they needed to secure a win or else their season would be on a knife's edge.

With several players unavailable, Lewkski, Kagan, Wisser and New were our fill-ins.

The boys come out firing in the first and captain Raleigh led from the front dominating the clearances and giving us repeated forward 50 entries. A pregame pep-talk from Coach Rod to Borensztajn, about sweating on your opponent and tackling immediately, paid off. Borensztajn's tackle on the wing led directly to one of Nowoweiski's 3 classy first quarter goals. Coach Noah had a dream last night that Krite would kick a 'Tom Hawkins style' goal directly from a forward half ruck contest. Funnily enough, that is exactly what happened and the Stars took a 19 point lead into quarter time.

The second quarter was a tight struggle with neither team gaining an ascendancy. Norich and Michaels aerial dominance was a pleasure to watch, however the highlight of the quarter was a goal saving tackle from full back Savicky which got the crowd roaring.

After half time the fill-ins made their mark on the game with their ability to provide speed and ball movement. Mordi-Brae threw everything at us, but thanks to Staubs overhead marking, the opposition went scoreless. Captain Mymim kicked the only goal of the third term.

The coaches told the boys at the final huddle that they weren't satisfied with a nil all draw in the last and the stars accepted the challenge. With Sniders repeated run and carry through the middle, the team had full control and kicked 4 final quarter goals.

It was a pleasure to watch the Stars bounce back with a complete 4 quarter performance and hopefully we can build on this win.

ROUND 7

AJAX U12 GIRLS COMETS LOST BY 40 POINTS

GOALS

This week's battle had all the hallmarks of David versus Goliath. Whilst the two teams were U12s in name, that is where the similarities ended. They had 16 players who were playing in their 2nd, 3rd, 4th, or 5th season, whereas we had 16 players who were playing in their 1st season. They had played 394 games of footy between them, whereas we had played only 205 games of footy.

Despite these odds, captains Breiman and Ong were determined to make the opposition earn it. The first half of the match was a real arm wrestle. Our backline was fantastic. They smothered, they tackled, they harassed and for the first time this year, this particular opposition was held goalless for an entire half. We were holding our own against a much bigger and stronger opponent.

However you can only beat height, experience and strength for so long. Eventually the dam wall burst with the opposition scoring 4 goals in quick succession which seemed to break the hearts of our young team. But rather than take the easy option and fold in the last quarter, our girls held firm, determined to run out the entire match. Despite not having a bench to work with, we continued to push the ball forward as we looked for that elusive goal. Whilst we had a couple of opportunities, we were just a tad unlucky and could not convert our hard work with what would have been a well-deserved goal. Unfortunately history didn't repeat itself, as Goliath took down David this time around.

PURA, COBY 1

After a couple of big wins we were looking forward to facing one of the other top teams in the competition and seeing if we could bring our best for 4 quarters. We started well but struggled to capitalise on the scoreboard. As the game progressed our midfielders started to capitalise on Pack's dominance in the ruck with Carew, Norton and Oren winning a lot of the ball and using it well. Page and Rochman spent time on the opposition's best player and shut him out of the game whilst still having a positive impact offensively. Davis provided a great option up forward all day, leading the way in front of goal with some classy goal kicking. He was well supported by our smalls, headlined by Norton and Pura who were dangerous and crafty. Our backline was superb all day, led by Phillips, Braun, Janover and Tempelhof who were disciplined with their positioning and superb in the air.

Overall it was a full team effort, everyone had moments where they contributed to a fantastic win. We can't wait to see what this team can achieve as our confidence and cohesion continue to grow.

After a great start to the season in our new division, the U12 Stars were determined to keep our winning streak alive. The conditions were perfect, leaving no room for excuses about the weather.

The coaches asked the boys to “hunt the footy” and to keep giving second and third efforts, and right from the first bounce we could see the boys had listened.

Every player executed their role nearly flawlessly with people also exceeding in roles they haven't played before.

Our defenders did a great job all day to not concede any goals. With our midfielders running all day and making sure whenever the ball got out of our forward line it went right back in. It was also a pleasure for the coaches to see many of the forwards get on the scoreboard and for them to share the ball around whilst keeping the pressure on our opposition with repeated tackles.

When the final siren rang all of the boys could hold their heads high. A great performance and looking forward to seeing what we bring next week!

ROUND 7

AJAX U12 MIXED ROCKETS LOST BY 45 POINTS

GOALS

After a shockingly close loss last week by 5 points and a draw the week before, we were fuelled with confidence to finally get the first win on the board. At our new 'home ground' East Caulfield Reserve against the undefeated Highett, their size and marking dominated us early. In spite of multiple deep entries to the top of the goal square as the coaches strategized from Cohen and Roitman, we simply couldn't convert our repeated attempts. Presser and the forward line bought creativity and just as many shots at goal as our opposition, yet were simply less efficient in front of goal. The coaches were most pleased with the consistent pressure and tackling leading to multiple unforced errors and turnovers by the opposition. However, by 3QT it seemed as though the boys had become overly frustrated and lost concentration leading to the margin compounding against us. With several outs and fill ins for the game as well as two eerily close finishes the games prior, the boys should not be disheartened by the loss. The footy smarts and quick decisions of the boys today relative to round 1 has astonishingly improved and is fantastic to see. Specific shoutout to the new players this season who have exponentially improved their skills. On to training and next week against Prahan. Go Jackas!!

The autumn that keeps on delivering perfect football conditions, dished up another perfect afternoon at the home of the AJFC... this time playing host to the Sth Melbourne Reds. From the outset the coaches instructions were being met; use the space , impact the contest and play team first football!!! The comets shred the football well, presented in the air, and worked hard for eachother at ground level . The aim is for this group is to learn and practice the team oriented style of football Dean and Josh encourage. Training standards are at a high level as is the enjoyment factor. Well done jackers

Ajax's U13 Rockets delivered a masterclass performance as they triumphed over Beaumaris in a resounding victory, dominating the scoreboard with a staggering 86 to 9 win. From the outset, it was evident that Ajax came to play, showcasing their prowess on the field and leaving their opponents struggling to keep up.

The goal-scoring frenzy was led by a dynamic group of players, with Avishai, Asher, Shua, and New each making significant contributions to the scoreboard. Their clinical finishing and relentless attack kept the pressure on Beaumaris throughout the match, leaving little room for their opponents to mount a comeback.

Avishai and Melamed showcased their ability to kick the ball long, taking full advantage of the compact ground to keep Beaumaris on the back foot.

Meanwhile, Alon proved to be the hero once again, sealing the victory for Ajax with a crucial goal for the second consecutive week. His composure under pressure and knack for delivering in clutch moments solidified his status as a reliable asset for the team.

Asher consistently positioned himself at the bottom of every pack and fighting tooth and nail for possession, while Shua's playmaking skills were on full display as he orchestrated attacks and created scoring opportunities for his teammates.

Ber's aggressive running and Meydan's breakout performance further bolstered Ajax's dominance on the field, with Xander and Kruzer providing stability and reliability in critical moments. Smith's unwavering commitment to his teammates and Zac A's fierce attacks on the ball showcased Ajax's unity and determination to succeed.

In defeating Beaumaris, who were leading the ladder, Ajax U13 Rockets sent a clear message to the competition—they are a force to be reckoned with. With their combination of talent, determination, and teamwork, Ajax is poised to continue their winning streak and make a lasting impact on the league.

The U13 stars travelled down the highway for an away game against a tough opponent St Bedes. The team was led by captain Itai Singer who put on a masterclass of tough and skilled football. He was well supported by the midfield group of Steinhardt, Unglick, Dresden, Grundmann and Lloyd. Shortly into the first quarter the Stars took control of the game with a hard edge attack on the football but could not put it on the scoreboard. The dominance around the ball continued for the entire game but poor conversion remained. A special mention to Blake Nowoweiski, Jesse Rapoport and Gideon Lowe for their efforts across the half back line the entire game. The last quarter was a nail biter with Max Steinhardt putting the Stars up with one minute to go, however an after the siren goal by St bedes gave them the win. Overall an outstanding effort by the Stars. Their attack on the footy and tackling was sensation all game. We look forward to positive week at training and bring that effort next weekend.

To commemorate Lag B'Omer our team was asked to bring some fire to the match...We asked them to fire up their tackling, defence and running game!
And just like the Bon Jovi hit, they came home in a Blaze of Glory.

Right from the first bounce the fuse was lit with Kolliner, Page and Rosshandler firing the ball deftly upfield. Katz was sizzling kicking the first 2 of her 3 scorching goals for the match.

In the 2nd quarter Evie continued to smoke the opposition. Page took a blazing run across the paddock to hick her third goal. Sparks of brilliance from Stub, Lewinsohn, Lyons, Dodge, Lewis, Israelsohn, Dabscheck and Co.....

Across the line the girls brought intensity, pressure and effort to every contest. So many contributions and no passengers! Great four quarter result demonstrating what can be achieved when we play unselfish team football,

HotHands® sales spiked this morning as the Comets arrived in Mentone at 7.45am to kick off the first game of Round 7, against St Bedes Mentone. It was chilly and foggy, but the sun was rising fast and destined to clear the skies. It didn't disappoint, and neither did our Comets.

Today's messages were clear and continue to focus on our brand of footy. Create space, make the smaller oval we were playing on bigger, allowing the team to work hard, transition the play and control the game. Given the conditions, it added the extra element of a wet footy.

We took command of the game from the first bounce, with Gabe dominating the ruck. Our mids were able to convert centre clearances, pushing the ball forward to the likes of Sonny, T-Bone, Ethan and Lenny, who in a surprise move up forward, bagged a bunch today. Rooster, Rocky and Maxy were solid down back, allowing Zac, Zev, Nico and Jesse to deliver the ball up forward. Plenty of play aided by Ami's efforts on the wing...clocking up 10km (data provided by the tracker in his shorts) to secure the result we were after.

A true team effort to deliver a deserving and convincing 56-point win.

After a weeks rest the boys were keen to get back into game mode as we hosted the Oakleigh Dragons on a perfect day for football.

We showed great signs early with our attack at the contest and quick ball movement. Alon was able to get us going with a couple of long range goals and our forward pressure was solid, giving us plenty of repeat entries.

Oakleigh provided a good contest at the stoppages but once we were able to get the ball to the outside we were far too slick. Very pleasing to see that we had 11 players hit the scoreboard but there will be some goal kicking practice coming this Thursday after kicking 21 behinds.

Alon and Archie Kalb were strong through the middle, Benji had a big day at half back while Harper and Nadav were involved in plenty of scoring chains.

Great win boys, looking forward to the next couple of weeks.

AJAX U15 BOYS ROCKETS LOST BY 89 POINTS

In perfect conditions at Cheltenham and coming off a couple of good wins the team was up for another challenge.

With limited numbers and warm conditions they first quarter was a bit of an arm wrestle as both teams peppered at goals with inaccuracy.

Our pressure, tackling and intensity was non existent in the second quarter as Cheltenham controlled the game and kicked ahead on the scoreboard.

Determined not to let the game get away from them, the boys seemingly tried to keep up the effort in the third and fourth quarters against a much stronger and better drilled opponent.

Our ball use and carry were lacking which allowed Cheltenham to control the play in their half for most of the game.

Oli Klinger was injured early yet able to get back and kick two goals in the second half.

Some other silver linings were the performances of Tal Roth Cohen, Hunter Owide, Omer Getz, Noah Sher and Asher Friedman in what was a disappointing team performance.

Bring our best this week if we want to compete!

In front of a home crowd for just the second time this year, the stars delivered a big win against the Rovers. To start the game, it didn't seem like a 120 point win was imminent, but after trailing 2 goals to 1 halfway through the 1st quarter we dominated the opposition, not conceding a single point after midway through the first quarter.

Our forwards were constantly busy, with Josh Factor bobbing up to kick 3 goals as we had 10 total goalscorers. Even resident backmen Deano and Miles got the opportunity to kick a goal or two. The return of star ruckman Josh Gordon was a sight for sore eyes, as he came in and made an instant impact, kicking 3 goals prior to half time, and winning plenty of the ball. Wingmen Jordan Suss and Jacob Levy were lively all day and controlled the ball go inside 50 and intercepted when it was coming out.

A very strong performance from the boys, when we asked for a bounceback. We look towards training and hopefully some goalkicking practice!

The 16s comets got on the winners list for the first time after regrading this weekend. Playing a undermanned prahran, the boys came together together, especially in the 2nd quarter to put a big enough gap on our opponents to run out 5 goal winners.

We had some standout performances which helped us to get over the line. The team was boosted to have Jonty back, he played FF and when 1v1 in a marking contest was near unbeatable. He finished the game with plenty of goals. Taj had an impact in both forward and mid lines, carrying the ball for deep entries forward. Jarrah gave us similar strength, with plenty of drive forward with legs and penetrating kicks.

We can keep working on our defensive game as the opponent still managed to outmark us inside their forward 50 and playing with 4 forwards beat us with overlap run at periods through the game. Yitzi played a great negating game for us and has played that role well all year in the back pocket. It is his first season playing and the boys are getting great excitement watching him play. Great work Suede who was playing CHF and rolled up to defend inside back 50 when we needed.

Lex played his best game for us this year, I was impressed with his attack on the ball especially in his chance on the ball, keep it up and you will be a strength for the team in the middle.

Overall boys the game is so much more enjoyable when we play as a team and celebrate eachothers success while being there to support eachother in the hard times. Always support our team and be positive and constructive with eachother when needed! Keep up the great work

Out came the sun and up stepped the girls.

From the opening bounce the Jackas were ferocious at the contest with Stella Grundmann racking up clearances and hitting targets with great precision.

Poise was Tahlia Hermann's middle name as she foiled numerous opposition attacks with her smart positioning and clean hands.

The girls were peppering the goals all game, and were rewarded with a great spread of goal-kickers. Mischy Maletsky slotted 2 on her silky left foot, Co-Captain Timna Gilboa used her strength to add another 2. Tahlia showed her class with 2 more before Asha Goldberg was finally rewarded for her strong marking and forward pressure with a great mark/goal. Not to be left out, Giselle Berman capped off a dominant display both back and up front with a classy finish.

The girls skills by both hand and foot were a level above any previous game and the team's unselfishness and determination to work for each other was a pleasure for all our spectators to watch.

Co-Captain Mia Meadows gave it her all and led from the front with her willingness to put her body into every contest.

A true team effort and a huge step both forwards and upwards for the girls. Well done to each of them.

FLINKIER, TOBY 1

In splendid weather perfect for football, Ajax clashed with Waverley Park in a match that saw Ajax dominate from the outset. Despite being undermanned with eight players absent and the assistant coach Maor out for family reasons, Ajax demonstrated exceptional resilience and depth.

The first quarter set the tone for the game as Ajax surged ahead, kicking five goals to Waverley's solitary goal. Ajax's forward line was particularly potent, with Nuss leading the charge with three goals. Casper and Manny contributed two each, while Pitt, Zukerman, and Flinkier also made their mark on the scoreboard.

As the game progressed, Ajax maintained their momentum, showcasing superior skill and teamwork. By the final whistle, Ajax had extended their lead significantly, winning comfortably with a score of 12.17.89 to Waverley Park's 4.4.28. The multitude of goal kickers highlighted Ajax's well-rounded offensive capabilities, a testament to their strategic play and depth despite the missing players.

The victory was a team effort, with every player stepping up to fill the gaps left by their absent teammates. The win not only boosts Ajax's confidence but also sets the stage for next week's much-anticipated top-of-the-table clash against East Brighton. Ajax will be looking to carry this momentum forward as they prepare for what promises to be a thrilling encounter.

Yours Truly,

Coach Carter

Today our boys were blessed with a depleted Waverley team, cashing in with a 117 point victory. Choosing the best was a very hard exercise as everyone played their role and contributed to a fantastic team win. Noah Luftig deserves a special mention for the way he played in the first 2 quarters before suffering an unlucky concussion, would have definitely been on track for the best. So does Zak Templehoff and Coby Mushin who did everything we could have asked from them and more and Harry Naphtali who kicked his first career goal which was a great highlight seeing all the boys get around him. It's worth mentioning that all of the points we gave up bar one were in the second quarter when we dropped our intensity off a touch. We actually lost that quarter. The boys then turned that around in the second half responding extremely well. It was a great learning experience for the boys today as they got to see the result of what happens when their intensity drops just a fraction for a team who's most important attribute is their pressure around the contest.
