THE JACKAS WRAP

Round 6, 2023

Another mixed weekend of results for the Jackas in the Round 6 fixtures. Games were a lot closer due to the inclement conditions prevailing for all of Sunday.

The U18's maintain their good form, the U15 Jets played a thrilling draw against Bentleigh-Highett. The U9 Rockets and Sharks played an all-AJAX derby which was well-attended with many interested observers enthralled by the impressive wet weather skills of both teams. With the season in full swing, we wish continued good fortunes to all the teams in the upcoming Round 7 fixtures.

If you have some good news stories or photos you would like to see featured in the Weekly Wrap, please share them (send via publicity@ajfc.com.au) or via your Team Manager.

U8 Rockets Match Report

Coach: Jason Ritterman
Andrew Jackson

The Rockets were back on their home ground for the second time this season and looking forward to the luxury of change room access (not available at many opposition grounds for the youngest age group) and to playing in front of their home fans. And it wasn't long before the fans had something to cheer about, with an early goal courtesy of some strong contest work from both the mids and forwards. From there, the game turned into a grinding affair, with both sides braving (another week of) challenging conditions and exhibiting a strong commitment to their teammates. Yes there were volunteers to sit out for a quarter in mum or dad's warm embrace, however when not selected, each player stood up and had a crack. The coaches encouraged the boys to get dirty, win the contest and have fun in the conditions. Laundries and front porches in Caulfield and surrounds will attest to delivery on the first of those asks, while the contest work was clear for all to see on the day. And while it's not clear whether the joy shown singing the song in the rooms after the game was relief, proximity to All Things Equal prepared post game snags or fun from the game, we choose to believe it was the latter!

U8 Stars Match Report

Heading to Bentleigh East to play Prahran Smith made no sense to our players (Where is Bentleigh East? And where even is Prahran?). Neither did waking up at 6.30am for an 8am game and relaying to said players that no the lights will not be turned on. Though maybe the lights should have been turned on. Dark grey clouds and horizontal rain meant clean disposals were hard to come by. Numb fingers, with players shivering, meant parents umbrellas were shared at each break. A slow start meant Prahran – who obviously had home ground advantage – got away and then were pegged back little by little. Though they worked harder for longer. The Stars worked well together late and showed that teamwork and rolling your sleeves up ensures a good contest. The spirit and fight showed in the last quarter will be called upon later in the year. Go Stars!

U9 Rockets Match Report

The Rockets picked the perfect time to serve up their best 4-quarter effort of the season against the highly talented and fancied Sharks in the first U9 Showdown for 2023. In wet, cold, greasy conditions, winning the contested footy was the order of the day, and the Rockets were just about flawless in this critical area of the game for the full 48 minutes. The most pleasing and rewarding aspect of the game was how every single player on the team stood up when their number was called and contributed in some way to the final result. Super proud of the effort this group of boys produced today, and it sets a great benchmark for us to aspire to in each remaining game of the season. Well done Rockets!

U9 Sharks Match Report

Coach: David Gelbart
Adrian Godlewicz

The much anticipated Ajax Under - 9s Derby was played in wet conditions and the Rockets were far too good for the Sharks. The Rockets hunted in numbers and were hungrier than the Sharks and the scoreboard ticked over consistently. For the Sharks, Sloane was outstanding in the mid-field using clever positioning and fantastic marking skills followed by fast ball movement by foot. Mark was solid as a rock in defence and tried hard all day against the wave of Rocket attacks deep in defence. The Sharks tried hard all day but the Rockets tried harder and got the rewards. Captains Gelbart and Godlewicz tried to lift the Sharks but couldn't turn the tide despite a late solitary goal from Raleigh giving some hope. The match was played in great spirits and although the 2 Ajax teams were opponents on the day, they were certainly not enemies and it was beautiful to see and hear the U9's singing the song together in the rooms after the game. Full credit to Ari, Jarrod and the Rockets who were outstanding. What we learnt today was that the U9 age-group have a fantastic future and I am very much looking forward to seeing all 3 U9's teams' progress and success this year and in the future.

Cold & wet conditions at Shark Park for the Stars' away match & while some shone out in the rain, others found it more difficult to perform to their potential.

Navigating the bye last week, a change to the training schedule & potentially an over-indulgence of cheesecake may also have contributed to the slow start.

Captains Raph & Hudson E led by example throughout, while Krampel & Levin were enormous all day. Azoulay & Borowski put in career-best performances, both laying crunching tackles & winning plenty of contested ball, while Buch & Israel showed aggressive intent all day.

It's these tough matches that will ultimately serve the fledgling young Stars well as they build their experience & understanding of how to play wet weather footy, and we greatly look forward to a rematch later on in the season!

U10 Rockets Match Report

It was another cold and wet morning at Princes Park where the U10 Rockets welcomed the Waverley Park Hawks. The boys were ready to get down and dirty from the opening bounce after receiving sound advice from captains Joseph D & Oli G. The game started tight with both teams having to get used to the conditions and trading opening goals with Benji K showing off some candy in the wet to kick the Rockets opener. Nathan G was sure with his hands and Brody H provided plenty of run and carry. The rockets quickly became accustomed to the wet ground and pressed hard dominating the midfield battle with Oli G and Jonah G getting hard ball gets and then the forwards locking it in with pressure leading to goals from Asher S and Elih F. The Rockets continued to put the foot down in the third quarter with Mikey E kicking two goals in a row and Daniel M hunting the ball and being rewarded with a well-deserved goal. It was left to Ethan D and Nadav S to finish off the day in style in the last quarter. A four-quarter effort by the Rockets ensured the weather did not dampen the day and the song was sung with plenty of gusto at the end. Go Rockets

With determination and a shining spark, U10 Sharks, lighting up the park.

U10 Stars Match Report

Gutsy, Hard fought and Inspirational are just some words to describe the Stars win over Oakleigh Dragons. On a cold, wet miserable day, captains Raleigh and Krite lead our team into battle . Their pre-game speech, along with a charged up coaches speech, got the team fired up. From the outset, the team had a positive mindset and showed great determination at every contest. However, at quarter time we only held a slender lead.

In the second and third quarters the Stars blew the game open with some blistering football.

Smart wet weather football and some crucial one percenters helped turn the tide in our favour. An exquisite tap to advantage couldn't go unmentioned, as potentially one of the plays of the year. With rain beginning to pelt down, the last quarter became a hard slog. Despite facing a final Dragons surge, the Stars withstood the pressure and secured a well-deserved victory. The coaching staff were most proud of several 'game of the year' performances by a handful of Stars players who really displayed their growth so far this year. This victory will bode well for the team's confidence and should sets for how we want the team to approach every game.

U11 Rockets 2.5.17 lost to East Brighton 7.16.58
Best: BUDE, BURMAN, GOLDMAN, PHILLIPS, SHERR, STIGLITZ
Goals: BUDE, GOLDMAN

Coach: Mark Lipshutz
Evan Goldman

In wet and muddy conditions, the U11 Rockets gave it their all against a quality East Brighton team. The conditions made the game a scrap and this made it difficult for the players to move the ball forward with any fluency. The bigger opposition bodies had an advantage around contest and the ball got locked in our defensive end for much of the game. When we were able to win territory and move the ball forward, the boys looked dangerous with Mac taking a terrific contested mark and J Lipshutz winning the ball repeatedly at ground level.

The defence held up well under a barrage of entries and never stopped competing. Burman and Phillips were ferocious with their attack on the ball and the Leibler brothers tackled hard. While the midfielders had a tough day, Goldman, Sherr, Stiglitz and Rochman kept cracking in.

It was pleasing to see the whole team fight the game out and never drop their heads. Late goals to Bude and Goldman were great reward for the resilience shown by the team and it is a sign of real maturity that the boys played the game out strongly. While we didn't get the result we wanted this time, if we bring that same effort every week, it will hold us in good stead.

U11 Sharks Match Report

U11 Sharks 6.0.36 def East Brighton 4.4.28

Best: DAVIS, GORDON, LEWSKI, NORTON, PURA, TEMPELHOF

Goals: GORDON 2, NORTON 2, DAVIS, ZUKERMAN

Vs the Vampires we came out of the blocks firing. Gordon was unstoppable, making his presence felt all over the field. He created numerous scoring opportunities and also scored himself. Norton tirelessly ran throughout the game and contributed 2 crucial goals. Davis exhibited brilliance in his marking and capped off his performance with a great goal. The team dominated the 1st Q, completely overpowering their opponents, as they surged ahead with an impressive tally of 5 straight goals. Gordon continued his dominance into the 2nd Q, kicking our last goal of the game on the halftime siren. However, the 2nd half saw the Vampires applying relentless pressure, mounting a comeback. They gradually chipped away at our lead but our defensive line displayed resilience, with Pura leading the charge by executing tackle after tackle. Templehof was great, denying their full forward any opportunity to score. Taft competed hard all day and had his best game so far. Davis provided the standout moment of the day with a match-winning smother. With immense grit and determination, our team held off a resurgent East Brighton. Their unwavering spirit and effort were instrumental in securing the win.

U11 Stars 2.1.13 lost to East Malvern 0.73.73
Best: AKKERMAN, BRAUN, GOUGH, SEGAL, SEGMAN, WANT
Goals: FISCHL, SHEEZEL

Coach: Marty Page
Brad Akkerman

With a 7.20 am arrival time, the team turned up pre dawn and still half asleep. However it wasn't long before their dreams turned into a nightmare. Torrential rain, a mud soaked ground, and no bench for rotations meant the Stars were unable to play their usual run and bounce game style. Directions for wet weather football were issued - tackle hard, kick long, don't finesse, stay in front, and punch when you are behind. Unfortunately the players couldn't execute this and failed to adapt to the difficult conditions.

They managed to stay in touch in the first half but, like the skies above, after half time, the floodgates opened and it was all one way. Akkerman, Braun and Want slugged it out but mostly the boys shivered and watched as East Malvern showed that to play wet weather footy, you have to play tough and just get down and dirty in the mud.

The boys stuck it out and will learn and improve and become more resilient, Whilst things didn't go our way today but there is always next week to look forward to.

Goals: GREENBERG, SLADE-JACOBSON, SOLOMON, WEINGART

Coach: Dean Mohr

Coming off the back of a thumping victory against the previously unbeaten Prahran, the comets were once again up against another taller and physical team in E Brighton. Our boys got off to a flying start peppering the goals, however were wasteful and unable to hurt the opposition on the scoreboard. We turned a half time deficit of 3 points into a 3 point lead heading into the Q4. From what we could see in fading light, the ball was in our forward 50 for most of the quarter. Despite numerous attempts and shots at goal by our courageous forwards, including an illegal kick off the ground which happened to go through the goals, the vampires were able to seal a hard fought game by 8 points. The boys were disappointed not to get the result, however can hold their heads up high having tried their guts out til the very end.

U12 Rockets Match Report

U12 Rockets 2.8.20 def Dingley 1.9.15

Best: APPEL, LOWE, NEW, RALEIGH, SOMERVILLE, WAIL

Goals: MILCHMAN 1, 2

Coach: Coby Felbel
Lachlan Hershan

In a hard-fought encounter, the Rockets secured a thrilling 5-point victory over Dingley. Despite the tough and cold conditions, the Rockets displayed resilience and adaptability, showcasing their ability to perform in adverse weather. The team exhibited remarkable maturity, especially in the face of pressure, and managed to withstand the opposition's dominance in the second half. The standout performers of the match were undoubtedly the Milchman twins. Operating in the forward line, their synergy and skill were unmatched, causing havoc for the opposition. However we acknowledged the need for improvement, particularly in our ball use and decision-making within the forward 50. Additionally, our accuracy in front of goal requires focus in the coming weeks. This hard-fought victory provided invaluable learning experiences for the team, highlighting the importance of adapting to challenging conditions and game scenarios. The Rockets will focus on refining our skills during training to enhance our overall performance and cleanliness in future matches. We start the season 1-1 with plenty of upside moving forward.

U12 Stars Match Report

U12 Stars 8.5.53 def Beaumaris 1.3.9

Best: AJZENMAN, GRUNDMANN, RAPOPORT, ROITMAN, STEINHARDT, SZENTAL
Goals: RAPOPORT 3, GERBER, JANOVER, LLOYD, SALOMONOVITCH, SZIEWICZ

The boys were excited to be back on their home deck. They were asked to turn up with the right attitude, toughness and effort in difficult conditions. After some disappointing first quarters in previous rounds the Stars responded with a very positive start. The tackling, pressure and ball movement all highlights of an exciting first quarter and the entire 60 minutes of football. The boys came in at quarter time with their heads up and feeling good about themselves. As expected Beaumaris came out firing in the second quarter but the Stars continued to work hard on their defensive pressure and tackling. The defensive efforts were a highlight of the day and many of these defensive efforts created attacking ball movement the other way. The Stars were able to sing the song loud and proud after their first win for the season. They have been encouraged to bring the same intensity, focus and tackling pressure week in week out...the standard has now been set.

Best: AKKERMAN, FRIEDMAN, KATZ, KOLLINER, MILCHMAN, NAPHTALI
Goals: MILCHMAN 2, NAPHTALI

Coach: Josh Hoppe
Steven Katz

In cold, rainy, muddy conditions, the girls fought bravely all day against a big, strong tackling East Malvern.

The girls listened to instructions and moved the ball quickly, and their intensity was fantastic. Unfortunately we only had 15 after half time and the girls were noticeably tired and just lost the game. I was very proud of the effort, especially some impressive individual games. Jess Katz played her best game for the club, Kolliner again showed her strength in the midfield. Milchman kicked a couple of brilliant goals, Akkerman going to be a star for this club. Naphtali fought hard all day in the ruck, and Friedman and Schachner were solid in defence.

U13 Comets Match Report

U13 Comets 6.4.40 def Oakleigh 3.3.21
Best: ALTER, BALBIN, CHRAPOT, LURIE, ROBIN, WROBEL
Goals: ALTER 3, BALBIN, BARNETT, JOEL

The Comets had their work cut out for them with an 8am bounce at Prinny Park in the pouring rain, with no signs of it easing. Historically these conditions have challenged the team, but today the Comets came with plenty of energy. Our brand of footy is becoming a part of them. Celebrating Lenny Chrapot's 50th, the message was clear from the leadership group, be first on the scoreboard so they chase us, we don't chase them. After a strong and energetic first half, our third fell short but we powered up to deliver overall, four of our toughest quarters this season. Sublime style from Wrobel in the wet, anchored by Alter and lethal Lenny on ball, brute strength by Balbin and Lurie like lightning at ground level, worked in well with all the Comets to seal a convincing 19 point win.

Best: ADELIST, EPSTEIN A, EPSTEIN R, FAJERMAN, GESTETNER, GOLDBERG

Goals: ADELIST, GOLDBERG, JACKSON, SMORGON

Coach: David Feldman
Joshua Kessell

The boys bounced back from their first loss of the season to control the game and come up strong victors. The boys worked all game to lock the ball inside fifty and kept it there for most of the game. The boys adapted to the wet weather and worked tirelessly to keep the ball in our half, with the opposition only scoring in the last quarter. Whilst inaccuracy did plague us, the consistent drive to keep it forward and unrelenting pressure was great to see. Overall it was a strong performance that we can continue to build off.

U14 Comets Match Report

Best: KALB, KRASNOSTEIN, NORISKIN, RACHMANI, SLONIM, SZWARC

Goals: FEDERMAN 2, ROSENBERG 2, KAVE, SZWARC, WYNNE

Coach: Heath Judd
Bryce Judd

The 14 Comets headed out to Dingley to face them for the second time this season. Although we beat them comfortably in round one we knew that the wet weather would suit their more physical and contested style of play.

We took our time to get going but we were able to rise to the challenge after halftime and come away with our best win of the season so far.

Super proud of how the boys were able to stand up to a physically bigger side in the wet conditions. We were tougher when it mattered and should take a lot of confidence from a win like that.

Archie Kalb was outstanding from start to finish- Remy, Nadav and Ari all had a big influence.

U14 Rockets Match Report

U14 Rockets 8.9.57 def South Melbourne 1.3.9

Best: AINSWORTH, BALTER, HYAMS, LEVY, NOSSBAUM, SHER

Goals: FRIEDMAN, KLINGER, KRAUSE, MISELOWSKI, NOSSBAUM

Coach: Gabriel Dukes
Matan Slonim

In wet and windy conditions the team celebrated a milestone game for Ethan Weiss. The slippery conditions were challenging however the team showed more skill and determination for most of the four quarters in a dominant performance. The midfield gave the forwards many opportunities to score and were able to control the middle of the ground resulting in scoring opportunities all day. Akiva Nossbaum and Mati Ainsworth played their best games for the season, kicking bags of goals each as they provided good targets for their team mates up the field. While the backline didn't see a lot of the ball, it held strong when needed and stopped SMD from getting any real momentum. Great team effort!

U14 Stars Match Report

U14 Stars 3.7.25 def East Brighton 3.4.22
Best: ASH, GORDON, KATZ E, KOLLINER, SUSS, VOGEL
Goals: KATZ, ROSE, VOGEL

The Stars faced cross-town rivals East Brighton in a re-match of their tight round 1 encounter. From the opening bounce the stars found space and adapted to the slippery conditions first, with multiple forward entries. Rose was dangerous up forward and Goldberg and Kelmann locked the ball in attack, while Fixler was unlucky to be denied a quick snap. Then skipper E Katz once again sparked his side with a classy running goal, and Rose finished off his dominant quarter with a late goal. The 2nd was more of an arm wrestle, which suited Kolliner and Edelstein at the contest, and the ruck combination of Ash and Gordon. In the 3rd, the backline stood tall, thanks to Siegal playing an unfamiliar role at CHB, and Waters, Factor, Leibler and Davis locking down any forward entries. The highlight of the game was undoubtedly the BOG performance by Vogel, which included a dashing run through the pack then finishing with a long goal. In the last, the vampires smelt blood and went for the jugular, pegging the margin back to less than a kick. The game finished with a shot after the siren from the opposition that just fell, much to the delight of the Star's players on the goal line!

Goals: JOTKOWITZ 2, GELLER

Coach: Lori Gunn
Yael Alford

Round 6 kicked off on a cold and wet winter day. Despite these conditions, our girls showcased remarkable determination and resilience going up against the strongest team we've encountered this season. Segal dominated the ruck for 4 quarters, winning contest after contest. Rosshandler and Alter demonstrated their exceptional ability to deliver big kicks and Ickowicz speed and tackles provided an advantage for our team. Meadows and Naphtali were a formidable duo in the tackling department, continuously taking on opponents one after another. Stub defended brilliantly against the strongest opposition and the backline held strong throughout the entire game providing constant pressure on the opposition forwards. Our forward line players created options and cleverly utilized spaces in the opposition's defence, allowing for Jotkowitz two well-taken goals and Geller kicking her very first goal of the season, with a beautiful assist from Swart. Unfortunately, they out played us in the third quarter, but every girl had an impact in the final term, finishing the game off strong. The girls gave it their all and proved to everyone that they deserve their place in division 1.

It has been building for weeks, and in Round 6, it all came together for the U15 Comets.

Playing the undefeated Bentleigh, the Comets came in with a Game Plan and Team First attitude to be competitive. The Comets intensity and pressure at every contest was too much for the opposition, that resulted with 'a line in the sand' WIN. The six

Defenders for the Comets maintained structure and helped each other at every ground ball contest. The Forwards maintained the Magen David structure and out ran their defenders all game. The Mids came out of stoppages with speed and quick ball movement to dominate clearances. It was a game that showed discipline and maturity of this U15 group, that has us on the path to success in 2023. The comets were up for the fight in round 6, and will do it for each other for the remainder of the season. The team message of 'Your next moment is your most important' will carry thru each week. Well done to all 19 players who took to the field, be proud, and ready to go again next week for a back to back victory.

.... Who are we.....

U15 Jets Match Report

U15 Jets 5.7.37 drew with Bentleigh Highett 4.13.37

Best: BANKY S, CASTELAN, KATZ, ROSTKIER, ROTHSCHILD, YOUNGER

Goals: BANKY S, GOLDENBERG M, LIBERMAN J, ROTHSCHILD M, ZMOOD G

It was an exciting day for our team as we came up against the top side in the division. We came out playing some of our best footy, running hard and kicking it long into our forwards who won their one on ones. Our backline held up well all day and were strong in the air. After leading by 6 points at 3 quarter time we stopped running for the first part of the fourth quarter and let the opposition back into the game. A frantic few minutes saw the opposition kick a point on the siren for a draw. Lots of positives but a full 4 quarter effort will be needed to win next time we face them.

Best: GUNN, ICKOWICZ, JANOVER, KLEIN, KRASNOSTEIN, MICMACHER
Goals: GUNN J 2, MICMACHER, ROTHFIELD B, SZWARC R

The U16s Comets played their first rematch of the year against against the combined StKilda/ Caulfield side. With the overnight rain we just wanted to win the contested ball and win the territory battle. We had a slow start to the game with Caulfield getting on top early but with both teams being wayward early it was destined to be a tight game throughout. We wrestled back the momentum and started to match their contest which resulted on plenty of shots on goal that we unfortunately didn't take our opportunities from kicking 1.7 at the half. Regardless our boys were motivated to make this a great team win. In the last half we were far more efficient in front of goal kicking 4.4 which allowed us to get the 2 goal lead we needed to hang on to the game late. It was a real team win were everyone played a role. In particular our defense held strong all day, well done to Noah K & Aidan S who had their best games of the year as well as Jesse S who had an awesome last quarter. All showed some desperate acts. Hugo & Manny held our defense together and took intercept marks one after the other. Jethro played a leaders role late behind the ball to help us hang on to the win.

Best: EPSTEIN, FELMAN, KAGAN, NAPHTALI, SWART, TEMPELHOF

Goals: GOLDHIRSCH 2, KAGAN G 2, FELMAN, LIFSZYC, UGRINOVSKI J

After playing the team that we got our first win against in round 1, we couldn't repeat the scores. Again, the boys learnt how vital a 4 quarter performance is. Harry Naphtali led from the front as he does week in week out as his toughness around the ground evolves every week, whilst it was great to have vice captain Bailey Apelbaum back providing composure and a target around the ground. After a master move last week putting Junger down back, we found another gem in Zak Templehoff who excelled playing off the half back flank. Dylan Swart played his best game of the season, showing toughness around the contest and hunger to get his nails dirty on a level that we hadn't yet seen from him whilst still displaying the class that we knew he had. He really set the tone for us, inspiring Caleb Epstein to follow suit and also prove to us that he has the toughness. It was great to have Gabe back who kicked 2 vital goals, and Felman played a ripper too, showing that him and Rafa may love talking at training when they aren't supposed to, but if they are going to keep displaying THAT type of chemistry as we saw when we had them both forward together at the same time then we have no dramas.

U16 Girls Comets 1.1.7 lost to Beaumaris 9.6.60
Best: COHEN D, FELL, FREY L, GOLDBERG, HERMANN, ZUCHOWSKI
Goals: HERMANN

Wet weather football greeted the girls this week vs Beaumaris at home. The Sharks started well with a handful of quick goals before our girls settled into the game. Meirav Fell led the way with her attack on the muddy ball and Lexie Frey threw her body into every contest helping to generate some forward attack. Tova singer used her athleticism in the ruck to create opportunities for our runners whilst Dahlia Cohen kept a cool head and sure hands helping to slow the Sharks down. The 2nd half saw our Girls get on top in the general play around the ground, with Georgia Zuchowski racking up the possessions & Tahlia Hermann showing courage, skill and poise to kick our only goal. Even though It was muddy & wet, the Jackas never gave up & can hold their heads up proudly at their efforts today. Onwards we march, side by side!

What a win! The Comets were out in full force today from start to finish - a much needed win and a very strong performance. A wet and muddy Oval 1 meant the boys had to adjust to the conditions and they did it oh so well. A shaky start in front of goals had us up by only a couple goals at half time due to being inaccurate but in the 3rd quarter after regrouping at HT our forwards found their kicking boots and started to pile on the goals. A beautiful defensive display all around the goal resulted in our opposition only kicking 1 goal for the game which came late in the last quarter. After a disappointing two weeks the team are back to their best and they were able to do it in front of a nice home crowd. Onto the next!

CANTEEN REPORT

Our Two Main Principles

1. Choose wisely, some of this may be fresh.
2. You can have it cheap, or you can have it fresh. But not both together.

Shvitzer of the year:

Sam Lerner asking for a pie: "Have you got a nice one?"

Quote of the year:

The town shryer – to Danny Adler in the canteen "Who are you and where is Rocky?"

Susie Benkel – "Unprintable" to Reuben Benkel upon reading the minutes of one months committee meeting.

Morrie Dvash – How much are those "red things?"

The Operations Manager would like to thank Danny Adler for his invaluable assistance throughout the year. He would also like to thank Jodie and Justin for their help – although this was only forthcoming from time to time under coercion (drinks).

Customer of the Year:

Ralph Glezer – Never failed to talk over the person in front of him in the queue ever.

Best Paying Customer:

Jack Chester

Most Chutzpah:

Charles Akkerman
