# ***THE JACKAS WRAP***

## **Round 7, 2023**

The sun was again shining on a glorious winter Sunday and whilst the majority of results went against the tri-colours, there were a number of significant results with the U15 Jets and U14 Comets having convincing wins respectively and both topping the ton. The U11 Sharks secured an impressive victory against Prahran, while U12 Rockets and Comets both commanded their respective games. In the girls' divisions, it was a mixed weekend of results with the U12's prevailing with a comfortable victory.

# U8 Rockets Match Report

Coach: Jason Ritterman  
Andrew Jackson

Three values have guided the Rockets team this season: **Have Fun, Be a Good Teammate & Sportsperson, Keep Improving**. So far the boys have lived these values, with coaches really emphasising the first two in the early rounds. Round 7 vs the B. Sanderson led Rovers was an opportunity to see how much we'd improved. The first quarter was a free flowing, evenly balanced affair, with both teams making the most of the dry conditions to transition the ball and create scoring opportunities. The Rockets were competitive in the contest, winning hard balls and tackling ferociously. A real highlight was a long sequence of kick mark, kick mark down the southern wing resulting in a great team goal from the top of the square. Although the Rovers got on top in the second quarter, at no stage did we drop our heads or effort. The backs were resolute, repelling multiple opposition forays while the mids continued to compete well. The second half saw the Rockets wrestle back ascendancy, with the boys heeding the coaches call to get their hands on the ball first, 'choose the first option' and move the ball quickly. All in all a strong team effort to compete really well against quality opposition.

# U8 Stars Match Report

After some cold wet Sundays the sun was shining for the away match against Highett. Running around the field in what can only be described as the Stars best demonstration of a good, team huddle run that measured (only) 20m from front to back it was clear that the players were starting to gel as a team. Unfortunately team photos last week meant that 22min of training was all the Stars had to call on for this match (By the way - the U8 Stars looked like a team of menschen last week!) and it showed. In a carbon copy of the week before the Stars let some goals through before clawing a few back. Playing with only 17 players was hard and the players will be fitter for the experience. What was clear though was the tackles are getting harder, the players are getting more of the ball, working together better as a team and defending their opposition player with good 'ol man on man defending. Enjoy the Kings Birthday Weekend break Stars. You've earned it. Can't wait for the second half of the season with your scope for improvement!

# U9 Rockets Match Report

Coach: Ari Lewski  
Jarrod Kagan, Sam Chester

After two consecutive weeks playing at home on the big and spacious Oval 4, it took the Rockets some time to adjust to the small Vampires ground, but they eventually got the job done in a tough, hard-fought encounter. The opposition burst out of the blocks and jumped us early in Q1, but our co-skipper Wisner helped stem the tide as he took control of the game from the midfield with his relentless attack on both the ball and the opposition. Kagan then started to run amuck up forward and peppered the goals, but unfortunately, couldn't quite convert his chances. The midfield turned it on in Q2 led by hard nuts Schwartz and Friedman. This paved the way for a dominant and what proved to be match-winning quarter by the Rockets as Lewski hit a purple patch and capitalised on some great team play with three majors. The Vampires kept coming at us for the rest of the game, but some terrific work in defence by Appel, Perlman and Slade-Jacobson, as well as some great attack on the ball by co-captain Sochen and Ong, helped ensure the Rockets kept their noses in front. Birthday boy Chester had his best game of the season, while Sutton and Flamm continue to improve and find more of the footy each week.

# U9 Sharks Match Report

Coach: David Gelbart  
Adrian Godlewicz

The first signs of learning to defend were on show today in the early game at home with the U9 Sharks up against the Bentleigh Demons. The Sharks had a fantastic week at training with all 22 players at training and available for selection for the game. The emphasis for the week was to compete hard to win the ball in all positions on the field and playing tight on your man in defence. The Sharks were in the game all day and only a late surge and a couple of Bentleigh goals stopped the Sharks making a stunning come from behind victory possible. Captains Stub and Silver lead from the front as usual with both leaders having fantastic games. The Sharks will continue to train hard, practice their ball handling skills, defend and learn the importance of on-field discipline - all of which will bring great results on the field. Well done to the Sharks on a good performance against very good opposition.

# U9 Stars Match Report

Coach: Adam Joffe  
Simon Krampel

The Stars discussed what it really meant to truly attack the football before the game. They agreed it is not just saying that they'll go in hard, but actually making a commitment to themselves and their teammates to be ferocious, fearless and relentless. Poor Prahran didn't stand a chance with hard ball gets & tackles racked up at record levels. Captain Borowski led from the front. Krampel personified toughness. Teppler gave 2nd, 3rd & 4th efforts. Mac was clean & classy. Jankie, Levin, Isaacs & Silverman were all rightly rewarded with stunning six pointers. Joffe was a clearance king. Levy kicked a cracking Captain's goal and Dickman delicately danced between defenders all day. Sensational team performance, setting the standard for the remainder of the Star's season!

# U10 Rockets Match Report

Coach: Marty Dodge  
Osher Klein

The U10 Rockets welcomed St.Kilda City to Princes Park on a foggy Sunday morning. Captains Aiden R and Ethan D provided the pre-match address with some wise words and a bit of humour. It took a little while for the Rockets to wake up out there and St.Kilda City had banged home three goals in the opening five minutes. However, the boys were not going to lie down and the fightback started with some hard fought ball in the middle which was capped off with a checkside goal on the run from the boundary by Ethan D. The Rockets owned the midfield in the second with Shneur A providing plenty of forward pressure. While the ball spent majority of the quarter in our forward half, the Rockets were only able to convert one goal which was slotted by Mikey E. The third quarter was a real arm wrestle with Asher M getting in and under, but the highlight went to Mikey E for his amazing tackling pressure never giving up against three opponents. The Rockets kept pressing in the last which led to a Charlie N goal. A great fightback and never say die attitude was key to this enthralling encounter.

Well played Rockets!

In Round 7, back in black shorts to take the field, Facing Murrembeena, a challenge revealed.  
Captains Harry and Aiden, voices strong, "Kick goals, play hard," their rousing song.

Under the sunny winter's gleam, The boys ran out, chasing their dream.  
The first quarter, goal for goal, A high level of play, a sight to behold.

In the crowd, Demons star, Alex Neal-Bullen stood, Cheering on his mate, Blake, for good.  
Blake, Harry, and Ruben, putting on a show, Their skills on display, all 3 playing like a pro.

At halftime, a speech from a premiership star, Words of wisdom, heard near and far.  
Keep up the effort, share the ball wide, Celebrate the goal kickers with joyous pride.

The second half, the boys kept on grinding, Pushed in the last, Gabe's birthday reminding.  
The boys stand tall, proud of their first half of a season's stride, Round 8 beckons after the long weekend's ride.

The U10 Sharks united, a team with heart, Showing determination, playing their part.  
As they continue their journey, growing strong, The Sharks will be singing their victory song.

# U10 Stars Match Report

The Stars went down to Mordi-Braeside on Sunday and expected a tough game. The opposition have taken all before them this season and we were prepared and ready to stand tall and make them worry about us. The endeavour and fighting spirit was very evident right from the start and we competed really well throughout. The Stars not only managed to limit Mordi-Braeside's scoring with dogged defence but we scored steadily throughout the game to keep the scoreboard ticking over and never allow the opposition to feel like they were in control. Important contributions matter more in these matches than most, and many Stars players put in efforts that will hold them in good stead for the rest of the season. Without doubt, the way we played this round was the best performance of the season. The fact that it came against the best oppositions says a lot for the grit and determination of the team. Led by Captains Gochen and Samuel, the Stars should be proud of their performance. Bring that every week, and the team has a great season ahead of them.

**Best: DAVIS, GORDON, JOLSON, LEWSKI, NORTON, PURA**  
**Goals: DAVIS 4, CAREW B 2, NORTON 2, GORDON, OREN**

On a beautiful day for football, Ajax dominated Prahran from start to finish. It was great to welcome Carew and Quiet back from injury. Norton was outstanding again and Lewski was exceptional ensuring Prahran couldn't get the ball forward. Jolson had his best game for the season mopping up in the half back line. Oren and Taft continued their good form and Davis was unstoppable scoring four goals. Each week their link up play improves and this was demonstrated by some incredible unselfish plays with a number of goals being the result. Overall it was a commanding performance with the team sharing the ball around being the highlight.

# U11 Stars Match Report

**U11 Stars 2.2.14 lost to Port Colts 10.8.68**

**Best: AKKERMAN, JANOVER, PAGE, ROSSHANDLER, SEGMAN, SHEEZEL**

**Goals: BEN DAVID, ROSSHANDLER**

Coach: Marty Page  
Brad Akkerman

Under sunny skies, the Stars were looking for redemption following the poor showing the week prior. The boys hit the field with excitement but were caught napping at the first bounce and were quickly down by over 5 goals. Rather than drop their heads, they refused to yield and went toe to toe in the 2nd and 3rd quarters, drawing on experience from the tough training session in the week. Page was moved to a negating role and successfully tagged their dominating player out of the game, Akkerman threw his body at every contest and Segman held firm on the last line of defence to thwart numerous goals. With Janover lifting in the 2nd half and Sheezel and Segal providing plenty of body contact, the Stars had a number of highlights and temporarily outmuscled the opposition. Rosshandler was daring and was rewarded with a goal and Ben David also finished off a great piece of end to end play. However some sloppy execution and a few missed opportunities meant the team weren't rewarded for effort. As the game wore on, the physical contact, coupled with no bench, combined to get the better of the boys. Whilst the scoreboard was not in our favour, it was an improved effort all round.

# U12 Comets Match Report

**U12 Comets 8.6.54 def St.Kilda City 1.1.7**

**Best: BASIST, GOLDSTAT-JOFFE, GOMO, SINGER, SOLOMON L, WEINBERG**

Coach: Dean Mohr

Fantastic team performance by the under 12 Comets today in perfect conditions late in the afternoon. With their newfound level of spirit, harmony and commitment to the ball these boys are gelling and looking like they are really enjoying playing footy. From the first bounce, they were hard at it, and despite the opposition kicking the first goal they continued to “see ball-get ball,” fight hard and at quarter time the game was locked. In the second quarter the Comets fought hard and their dominance around the ground converted on the score board for a good lead at half time. In the second half, they listened to the coaches by spreading the ball, leading to space and their discipline was rewarded with several goals, keeping the opposition scoreless. With a good strong win today, the boys can be really proud of themselves for their ongoing determination and efforts which is improving their skill level week on week. Well done.

# U12 Rockets Match Report

**U12 Rockets 7.6.48 def Hampton Rovers 2.6.18**

**Best: APPEL, KOL, LOWE, RALEIGH, WAIL, WEINSTEIN**

**Goals: MILCHMAN, AINSWORTH, LOWE, ZAMEL, WEINSTEIN, NEW, RALEIGH**

Coach: Coby Felbel  
Lachlan Hershan

The U12 Rockets emerged victorious against Hampton. Despite not delivering our best performance throughout the four quarters, we managed to overcome some struggles and put a commendable score on the board. In that second term in particular, we displayed remarkable intensity, applying high pressure, executing precise tackling, and exhibiting a physical presence at every stoppage, serving as our blueprint moving forward. The midfield trio of Raleigh, Appel, Wail, with Weinstein running through, played exceptionally well whilst Lowe proved once again to be a commanding force in the backline and up the ground when needed. Our forward line, consisting of some new goal kickers, performed admirably. Ainsworth, Zamel, and Kramer, who had worked tirelessly in training over the weeks, were finally on the end of a few. While the victory is a testament to our resilience, the match emphasizes the importance of playing a complete four-quarter game. We must strive for consistency and maintain the intensity seen in the second quarter throughout the entirety of future matches to ensure sustained success against the best opposition.

# U12 Stars Match Report

**U12 Stars 2.1.13 lost to St.Bedes-Mentone 6.6.42**  
**Best: AJZENMAN, ROITMAN, SMALL, SMITH, STEINHARDT, UNGLIK**  
**Goals: GERBER, SALOMONOVITCH**

After a strong performance last week against Beaumauris, the U12 Stars remained against bayside opposition with a tough away trip to St Bedes Mentone. The team were challenged to show the same level of intensity this week against quality opposition in perfect conditions. Unfortunately, St Bedes got the jump on the Stars by playing tougher, harder football and led by 2 goals at quarter time. After this, the game was an arm wrestle of tough contested football played the “Stars Way”. The third quarter in particular saw the boys dominate the play and draw within a goal before a dubious free kick saw St Bedes get a crucial goal. Unfortunately, the last quarter saw the boys have an early goal kicked on them, which broke the boys spirits and they dropped their heads to lose by 29... The lesson learned after being in every match this season except one at the final change, is that it is the small moments that you lose concentration when the game is on the line that can be the difference between winning and losing. With more focus, they will become the team they are capable of being and the wins will follow.

# U12 Girls Comets Match Report

**U12 Girls Comets 7.9.51 def Prahran 2.0.12**

**Best: GOL SHEVSKY, HOPPE, ISRAELSOHN, KATZ, MILCHMAN, NAPHTALI**

**Goals: MILCHMAN 5, HOPPE, SUSMAN**

Coach: Josh Hoppe  
Steven Katz

A tremendous effort by the girls this week. Playing with only 12 players, on a beautiful Melbourne winter's day. We asked the girls to give everything and they over-delivered.

It started in the middle, Naphtali had a huge game in the ruck, well supported by Katz who is getting better every week and Golshevsky who was everywhere.

Hoppe was enormous, giving our forwards plenty of looks. The backline, Kolliner, Johnson, Lewinsohn and Israelsohn were fantastic, limiting any chance Prahran had of scoring. Our forwards kept presenting, Susman provided a great target and kicked a great goal, Akkerman kept trying and Milchman was the polish. Blashki had her best game of the year, with some great efforts. Really proud of the girls.

# U13 Comets Match Report

**U13 Comets 3.7.25 lost to Bentleigh-Highett 6.4.40**  
**Best: APPEL, CHRAPOT, DAVIS, LURIE, SHEFFIELD, WROBEL**  
**Goals: ALTER 2, WEINSTEIN**

Today's bounce was at a respectable 11am. We were hopeful the extra few hours of rest would mean maximum energy for the Comets. We were up against our rivals Bentleigh in what would promise to be a physical contest. Zev led the boys out in celebration of his 50th. Spirits were high and the Comets started strong. Bentleigh got on the board first which forced the Comets to chase. Our discipline and structure simply wasn't up to scratch, nor were the Comets firing on all cylinders. Lurie, coming off a big Barmi celebration, continued to dance his way through the midfield. Lethal Lenny showed courage putting his body on the line. The speed from Sheffield kept us in the contest, with Harley solid out back and a couple of big tackles from T-Bone Davis on a 13 year old giant. We ended with the same scoring shots, but their kicking was more accurate and won Bentleigh the game. A rest next weekend for King's Birthday is a welcomed opportunity to recharge.

Coach: Matthew Lincoln

# U13 Jets Match Report

**U13 Jets 1.7.13 lost to Caulfield Bears 5.3.33**  
**Best: BANKY, BELLOTTI, GESTETNER, GOLDBERG, JACKSON, SMORGON**  
**Goals: FLEISZIG**

Coach: David Feldman  
Joshua Kessell

After another early start, and a full roster for the first time this year the boys competed hard in a tough encounter. Whilst inaccuracy plagued us throughout the game again, the boys worked tirelessly all day. The game was a very even contest, with the difference coming down to finishing and converting inside 50. The endeavour the boys showed was commendable and lots of learnings can be taken from the game. Overall it was a good performance and another performance we can build upon.

# U14 Comets Match Report

**U14 Comets 17.10.112 def Hampton Rovers 2.4.16**

**Best: KAVE, KRASNOSTEIN, NORISKIN, ONAS, RACHMANI, ROSENBERG**

**Goals: ROSENBERG 4, FEDERMAN 2, MAJMAN 2, BEEBE, BROOKS, JACOBS, KAVE, KLASS E, OLIVER, RACHMANI, SMORGON, WYNNE**

The Comets drew the late time slot of 3:30 as we headed down the road to face the Hampton Rovers in perfect conditions. Coming off a tough win in the wet last week, we wanted to take advantage of the dry conditions and get back to our fast pace and high scoring brand of footy. The boys were all class from the start as we put the game out of reach by halftime taking an 8 goal lead. We continued to pile on the goals and move the ball freely, kicking away to take a 96 point win. The most impressive part was to see how unselfish we were. We stuck to the game plan and were able to have 12 different goal scorers- our key defenders in Beebe and Max were able to hit the score board as well. Tough to pick a best player but Alon set the tone with a dominant ruck performance.

Remy, Asher, Zac, Oz and Nadav were standouts.

Well done boys- a complete team performance.

Coach: Heath Judd  
Bryce Judd

# U14 Rockets Match Report

**U14 Rockets 2.8.20 lost to Hampton Rovers 5.6.36**  
**Best: AINSWORTH, DUBAND, DUKES, FRIEDMAN, KRAUSE, LEVY**  
**Goals: DUBAND, GILLIS J**

Coach: Gabriel Dukes  
Matan Slonim

In near perfect conditions at home the boys started the first quarter with the ball locked in the forward half however, the reward for their efforts did not reflect on the scoreboard. Joel Krause showed his aggression and running capabilities as he won lots of contested ball to give the forwards many scoring opportunities. Our inaccuracy kept Hampton in the game and they were able to kick a few second quarter goals against the run of play. After half time, Josh Levy's forward pressure resulted in a great snap from Ami Duband which lifted the boys spirits. Daniel Dukes was moved to half forward where he used his strength and speed to thrust the ball forward giving the team scoring opportunities. Mati Ainsworth dominated the ruck for the second half to help give the team momentum. A last quarter Josh Gillis goal put the boys ahead but Hampton countered and eventually won the game. Effort was there without the reward!

# U14 Stars Match Report

**U14 Stars 3.3.21 lost to Prahran 9.5.59**  
**Best: ASH, GOLDBERG, GORDON, KATZ E, KOLLINER, RUBIN**  
**Goals: GORDON J 2, LINNOW**

The Stars were back at home, running out of the change rooms to the familiar smell of kosher sausages, which transitioned quickly to the waft of fermenting mud from the center wicket glue pot. Prahran got on top early thanks to their bigger bodied midfields who must have spent the preseason in the gym. The stars needed a spark and it came from Goldberg, via Hashem, who's tackling and pressure lifted the team. Others followed suit, with Ash, E.Katz and Kolliner lifting to level the contest around the ground. Once again the defence stood tall thanks to Rubin, Vogel, Waters and Davis. In the 3rd, Suss and Levy were finding space on the wings, while Gordon hit the scoreboard twice showing his improvement game by game. Rose was unlucky to miss out when the goal post appeared from nowhere with a goal saving smother. The stars were within striking distance in the last thanks to a Ritterman bomb forward which set up Linnow for the soccer finish. Unfortunately Prahran then stepped it up late, kicking a few late goals despite the best efforts of the stars. It was tough encounter, but a good challenge for the boys against bigger opposition.

**Goals: PAGE 2, JOTKOWITZ**

Coach: Lorri Gunn  
Yael Alford

In round 7 we faced off the top of the table East Malvern. Despite only 15 players we were determined to give it our all. The ground size initially posed a challenge, but our girls utilised it to their advantage. We emphasized to the girls the importance of treating each quarter as a new game and they embraced this mindset, fighting hard until the final siren.

Alter in her debut as our ruck, showcased her determination by giving her all for four quarters, where the centres were able to crumb and secure vital clearances. Fridman and Naphtali used their remarkable speed, pace and aggression to dominate the game.

Ickowicz and Rosshandler displayed relentless effort attacking the footy all game. Jotkowitz continued effort all game led to a great goal, assisted by a shepherd from Isaacs, while Page delivered intense tackles throughout the match. Meadows and Loebenstein had great forward pressure. Our backline Stub, Kramer, Gunn, Lewis and Krasnostein held their ground, kept the opponents to a low score and applied relentless pressure. Despite the outcome our team should feel a sense of pride in their collective effort, displaying remarkable resilience and dedication throughout the game.

It was a beautiful day for footy and the boys put on a fantastic display at Princes Park. In our best performance for the year the boys ran hard, tackled and chased all day. Our teamwork was at its best as we had some fantastic plays down the wings that lead to scoring opportunities. It was our best performance of the year so far and we can't wait to see what we can do if we bring this effort and culture for the rest of the season

**Goals: PITT E 5, SLADE JOSH 2, LEVY N, SZWARC R**

On a bright sunny day in Bentleigh, the stage was set for a huge game between the Ajax Comets and the Bentleigh Demons. The game began with a strong start, with the Comets taking a 16 point lead into quarter time, which should have been more if not for inaccurate kicking. Our stifling defence kept the Demons to only 1 behind in the opening term. The Demons came out firing in the second quarter with a higher level of intensity and tackling pressure. However, a well-composed and mature Comets side was able to stem the tide and take a 20 point lead into half time. The main message in the second half was to not go into our shells and continue to play an attacking brand of football whilst also maintaining immense pressure on the opposition. The Comets did not shy away from the task at hand, coming out aggressively in the second half, led by Nico Levy's bone-crunching tackles. A strong performance from start to finish ensured that the Comets came away with a 35 point victory. From our aggressive ball movement and elite tackling pressure, it was a complete team performance that the lads can be extremely proud of.

**Best: DEGEN, FELMAN, GASPAR, KAGAN, NAPHTALI, SWART**  
**Goals: FELMAN, GOLDBIRSCH**

We got comprehensively beaten by a group that played better as a team on Sunday. In our first game away from home for a while, it was quite a substantial loss. However, the boys did bring the heat, something that wouldn't have been assumed by looking at the scoreboard, although it WAS there. We were just outclassed by a team with more polish. We feel like broken records, but Harry Nephtali was a clear best on ground, getting better and better with his pressure and toughness. Dylan Swart kept up his great form, whilst Gabe and Eli provided great targets up forward both having multiple opportunities at goal with 1 major each however. On to the next one.

**Best: BERMAN, DODGE, FELL, HERMANN, PELEG S, ZUCHOWSKI**  
**Goals: HERMANN**

Up before the sun & ready to play. The Jackas started strongly with an early goal to Tahlia Hermann being the culmination of her teammates tough tackling & intense pressure. From then on it was an arm wrestle. Meirav Fell was ferocious at every contest whilst Giselle Berman controlled the defence with her intercepts & rebounds. Our intensity continued through the 2nd half with Sienna Peleg showing who's the boss in the ruck while Georgia Zuchowski kept racking up the possessions. Lara Dodge continued her good form, winning her 1on1's to help us stay in touch. With 2 minutes to go the girls gave their all to find that winning goal but fell agonisingly close after a snap from Asha Goldberg just missed the target. Great effort girls. You deserved a win.

Maor Chrapot

The boys put on a fantastic display but unfortunately just fell short. They can hold their heads up high knowing they gave it their absolute all for 4 quarters. Sometimes you can put together the best of games but on the day it just doesn't fall your way and this game was one of those. Good timing to take a week off, regroup and hit the ground running once we are back from the break. It is noticeable that the team is building great chemistry and it will prove a nice benefit later into the year.
